# BLACK RUST HAVOC

CHICAGO, July 27 .- (AP)-Prosects that black rust havoe in North American spring wheat crops may radically change the world wheat supply situation shot

wheat prices skyward today. Canadian as well as United States field reports appeared to justify suggestions that 1935 is proving to be the worst black rust year ever known. The result was cents overnight whirlwind rise of all American wheat markets. the extreme limit permitted in any one day. This meant that wheat values were up 16 cents a bushel since three weeks ago.

pressed among grain traders that the giant onward sweep of black rust, unchecked both north and south of the Canadian border. would be apt to keep the United States on a domestic basis, leaving no margin for wheat exports this season, and that Canada's recent huge surplus supply of wheat may no longer be a burden.
