FOLLOW IMPROVED BUSINESS REPORTS

NEW YORK, July 29—(AP)—Stocks thrust vigorously forward today in the most active trading in the last two months to chalk up new highs for 1935.

In many active issues the gains ran from major fractions to 3 points or more. The improvement was fairly evenly spread throughout the list, but rails had a little the best of it.

The Associated Press average of 60 stocks rose .6 of a point to 47.2, eclipsing the peak of 46.6 made last Saturday. The 30 industrials comprised in the average also were at a new high at 64.5, up .6 of a point, as were the utilities with a lift of .5 of a point at 34.1. he rails had the best gain of the day, up .9 of a point at 25.9, but were still considerably below their best for the year at 27.6.

Moving against a background of steadily improving reports, from the business front, typified particularly today by a further rise in steel operations of 1.8 points to 44 per cent of capacity, stocks were on the upgrade from the start.

Most Close High

The movement broadened and intensified as trading progressed, and stocks closed in most cases at the best levels for the day in an active finish. Not since May 28, has today's turnover in the stock exchange, 1,752,170 shares, been surpassed.

The Consolidated Gas report offered mixed fare for followers of the utilities. For the 12 months to June 30, net income was down to $2.10 a share, compared with $2.57 in the preceding 12 months, but there was some indication of recent improvement in the earnings of 48 cents a share for the June quarter compared with the 41 cents earned in the same period of 1934. Declaration of the usual 25 cents quarterly dividend was likewise taken as encouraging.

Other power company news was brighter.

Many of the most prominent issues in the stock list were among those which advanced fractions to 3 points or so to the peak levels for this year or longer, including American Telephone at 131¼, U. S. Steel at 43½, Westinghouse at 65, General Motors at 38¾, Chrysler at 59¾, Chesapeake & Ohio at 45⅝, Allied Chemical at 162, Santa Fe at 57 and such others as Bethlehem Steel, General Electric, Republic Steel, Lehman Corp., Peoples Gas, International Harvester, Coca-Cola, Johns-Manville and Western Union.

Gardeners' and Ranchers' Mart

PORTLAND, Ore., July 29.—(AP)—The early gardeners' and ranchers' wholesale market opened after the lull of the weekend with an exceptional active apricot market.

Although the volume of sales Monday morning easily doubled that of last Saturday morning, the prices held firm. Apricots continued to sell for between 70 and 90 cents for a peach box and 75 cents for a 15-pound lug. Unless apricot sales drop off a great deal before tomorrow morning, the price advances probably will begin.

Some good J. H. Hales peaches were on the market selling for $1.50 per lug.

Tomatoes have begun to come in from the upper Columbia district and are selling on the early morning market for 85 cents per box.

The apple market held the same Monday morning with only Yellow Transparents, Gravensteins, and Red Astrakans making an appearance. The prices ranged around $1.25 per box.
