# HEAVY; PRICE DOWN

CHICAGO, Aug. 2 .- (A) - Swept down by a wave of heavy selling, wheat prices underwent an extreme break of 3% cents a bushel

late today. Apparently, many traders acted on belief that today's unoffictal August crop estimates had been discounted beforehand. There was talk also in some quarters that the estimates had proved to be less bullish than were indicated by sensational damage reports the past two weeks.

With something of a rally at the last, wheat closed nervous, 1 %-2 % under yesterday's finish. Closing quotations:

Wheat - September 90 1/2-%; December 92%-%; May 94%-%. Corn-September 78 % - 78 : December 62 1/2 - 1/8; May 64 1/4 - 1/8. Oats - September 32 1/8; Deember 33%; May 35%.
