Salem, Oregon, Saturday Morning, August 10, 1935

Unorthodox Play by Vernon Gilmore Starts Rally in Seventh, Gives Grocers 4 to 0 Victory

Circus Fielding and Double Plays as Well as 3-Hit Hurling Job Are Fatal to Parker Chances

By PAUL HAUSER Strategy and a slam-bang hitting punch that came when it was most needed won last night as Pade's, state champions, shut out Parker's 4 to 0 for the second half championship and the right to play Kay Mill, first half titlist, in the city championship series next week.

Before a crowd that approached the largest that has ever seen any event on Sweetland field the state champions exhibited a cool, fastthinking game that left no doubt that they still are a team fit to wear championship robes. Over 3500 fans were jammed into the grandstand and bleachers on two sides of the field and parked cars were lined up for blocks on every street near the Willamette campus. The south side bleachers, hardly used previous to tonight, were crammed chock full. All Scores Come in Eventful Seventh

of precision machinery.

All of Pade's scoring was done in one inning, the fateful seventh. Whether Vern Gilmore, who pitched three-hit shutout ball, worked the smartest trick Salem softball has seen to provide the winning score-or whether it was ace high strategy may never be known, but what he did was certainly effective.

Parker shortstop, whose throw tomorrow. was true as a die but Parrish at Officials of Legion first let his eye get off the ball | Speak at Banquet and dropped it. Gilmore was on er ran before, was on third. Violates Rules by

Pilfering Second Then with Kitchen at bat Giltory. With a fine disregard for speakers. the softball rules he stole second, base larceny being strictly forhave put him out as would a throw to second but Schnuelle was leading off third in tantalizing fashion. If the play was made for Gilmore Schnuelle could legally seen. score. Lu Singer elected to try to catch Schnuelle off third but his throw was high and Schnuelle came pounding home for the run that did no good for Parker mor-

The rest came easy, Kitchen blasmed out a single to center field and Gilmore, who had come back to first where he belonged when Schnuelle went home, raced to second again. Foreman fanned. It was smart baseball for Henry Singer to walk George Scales and load the bases, paving the way for a force-out, but it didn't work. Johnny Bone lit on one of the high ones he loves and sent it into left field for a hit that scored Pade's remaining three runs, wiping the bases clean. Bone died on third when Hill flied out. Spectacular Plays

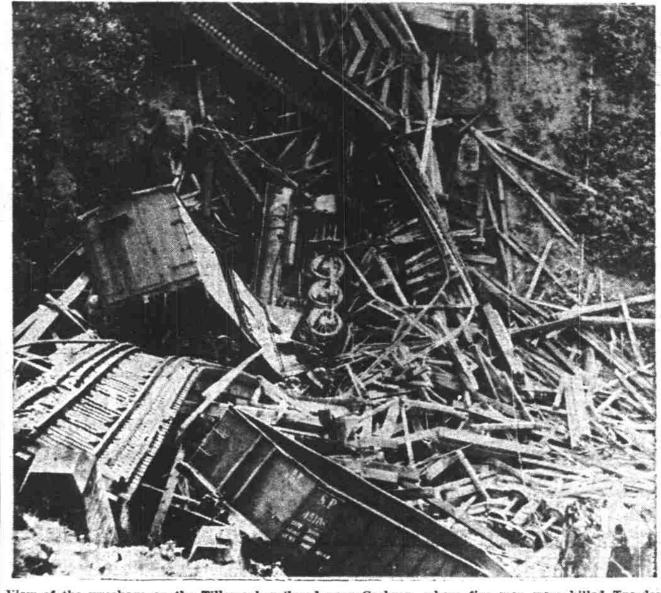

Abound in Contest Sweet ball playing in the pinches on both sides kept the scoreboard clean until the seventh. In the first Parker's got Elliott to third but Weisner struck out. "Squee" Kitchen was on (Turn to Page 2, Col. 3)

Squash Next Topic For Round Table: Deadline Thursday

PWA Spokesman Says Capitol Projects Call For Larger Per-Man Year Cost Than is Allowed, But Exceptions Have Been Made in Other Cases; No Indication of What Final Decision Will Be Is Given Out

ASHINGTON, D. C., Aug. 9.—(AP)—A spokesman for W the public works administration said today it would be possible for the federal government to assist the state of Oregon in the purchase of a site for a new capitol to replace the building destroyed by fire last spring.

Application has been received from the state for \$1.575,-000 as a grant to be used toward construction of the building. This amount is 45 per cent of the estimated total cost of the proposed structure.

In discussing the application eration a tentative new schedule for a grant to aid in construction of a capitol, the spokesman pointed out that such a building earlier in the day against makwould cost between \$4000 and \$5000 per man year of work! thus exceeding the \$1140 limit which has been set by the division of administration and information pants that the committee had of the works relief program. modified the house excess profits

Final Decision in

Hands of Hopkins There have been some exceptions made to the rule, he said, but would give no indication what action might be expected on the Oregon proposal. He explained that PWA no longer makes its own allotments, final decision being in the hands of Harry L. Hopkins' works progress division. He indicated, however, that if the application for a grant to construct the building were approved it was probable funds also would be made available to aid in pur-

chase of a site. The spokesman said the entire situation was extremely complicated in that the building could not qualify under the \$1140 limitation and funds used in the purchase of a site would not in any way directly put men to work, making it necessary, if funds are made available, to make exceptions in both cases.

BIDS FOR SANTIAM WORK ARE OPE**NED**

PORTLAND, Aug. 9 -(AP) -- Bids for \$243,716 worth of work on the Salmon river and Santiam highways were opened here today by the federal bureau of public roads. E. L. Gates of McCradie Springs, with a low bid of \$136 .-630, was recommended for contract award for reconstruction grading of 13.5 miles on the Salmon river highway between Otis and the Tillamook-Polk county line in Lincoln and Tillamook counties. McNutt brothers of Eugene were second at \$137,696. For the grading of 2.3 miles

between Fish lake and Tombstone pass in Linn county, the McNutt company was let at \$107,086. "How's Crops?" is
