SPREAD OF BUTTER

PORTLAND, Aug. 24. - (AP) -Rather heavy and unusual spread between extra and standard cube butter on the produce exchange appeared due to a similar condition in regard to supplies. Make of butter is perhaps a trifle smaller than a week ago but the most serious shortage confronting the trade is in top score. Liberal withdrawals were be-

ing made from store as a result of the slack season for manufacture. Prices were unchanged during the late session of the exchange as well as on the open market for cubes and prints.
