

CROWN QUEEN TODAY AT INDEPENDENCE

Roy Terry, Rose Festival Officer, to Assist in Crowning Queen Joan at Hop Fiesta

INDEPENDENCE, Aug. 28.—Roy Terry, vice-president of the Portland Rose Festival association, and prominent in the Royal Rosarians, has accepted an invitation tendered by Mayor A. L. Thomas of this city to assist in the coronation ceremonies of the queen of the annual Hop Fiesta to be held here August 29, 30 and 31.

The crowning of the queen will take place at the Hop Bowl, Independence's civic stadium, at 11 a. m. Thursday. Dignitaries from many Willamette valley and coast districts will be in attendance at the coronation and will take a prominent part in the program.

The hop harvest celebration is attracting wide attention and local citizens are preparing to entertain the great crowd that has never attended any event in the city's history.

A rodeo, air circus, street carnival, wrestling matches, vaudeville, midnight cabaret, monstrous floral and parade, children's pet parade and show and many other attractions are included in the Hop Fiesta program.

Trip Along Coast Interests Group; See Battle Rock

ROBERTS, Aug. 28.—Mr. and Mrs. Louis D. Johnson and his brother, Mr. and Mrs. Clifford Johnson and son, Wayne, returned Saturday night from a trip down the Pacific highway through Roseburg and Coquille, going as far south as Port Orford. They visited a distant relative, Henry Johnston, who lives on Lake Garrison. He is a large cranberry grower in that section.

Mr. Johnston who has kept very close record on the temperature says it has never varied over 10 to 15 degrees either way during the past six years. The temperature runs between 60 to 75 degrees. Port Orford has never been known to have any fog at any time of the year.

They saw the new harbor, break water and wharf, then visited Battle Rock State park. They were on Battle rock from which in frontier days two white men kept off the Indians with a small cannon and saved themselves. This rock has a narrow beach of sand connecting it with land at low tide. Then they went to Cape Blanco lighthouse, the farthest point west in the United States. On their return home they came back over the coast highway.
