

Long Shots Win at Lone Oak; Miss Doublet Takes Feature

HEAD ON TAKES HEAVY PAYOUT

Favorites, Seth's Hope and Others Disappoint in Track Contests

Long-odd victors stimulated pari-mutuel betting at the state fair races Tuesday despite the smallest crowd present so far at the annual Oregon exposition, and thoroughbred winners brought in as much as \$65.24 on a straight ticket. Favorites generally trailed the field in most of the contests in the second day on the six-day meet.

After getting off to a poor start, caused by a nervous group of horses, Head On, five-year-old brown mare owned by C. Burrell and A. Hayes, led the field in the second five-furlong contest to bring the ticket holders the highest price yet paid. R. Shelton spurred the victor in under the tape. Sirion, the favorite, came in fourth but was slow starting.

The feature contest, the mile and a half, sixteen runs, was won by Miss Doublet, the three-year-old bay filly who was sired by War Cry and owned by Miss J. Landers. Her time, with L. Arnold, Jr., was 1:52.2 to win by a length over Big Missive and Galanetta, the latter two running nose to nose.

Valued Horse Falls
Seth's Hope, rated as a favorite in the three-fourths mile contest, disappointed her backers and failed to place. Black Shirt, winner of the three-fourths mile run Monday repeated and left the rated money horse far in the dust. Seth's Hope was reported to have brought her owners \$96,000 in recent races.

The results of the contests Tuesday, with pari-mutuel returns, were as follows:
First race—\$150, all ages, five furlongs, Lassie Acres (Marshall) \$15.44, \$2.66, \$2.68; Decoration Boy (Conley) \$2.12, \$2.14; Bay Toney (Neal) \$2.40, Quinlela \$8.74. Time 1:05.4. Also ran, Beau Norford, Billy Aaron, Orphan Pat.

Salem Rifle Club Enjoys Good Season

The Salem Rifle club is enjoying the most successful shooting season in its history, according to Ronald Graber, range officer. About 35 marksmen have been firing at the targets and clay pigeons in recent shooting bees. Dan Mosher is president of the up-and-coming club, and George C. White, secretary.

Most of the shooting this summer has been on the army "B" court, firing at objectives 200 yards distant. The shooting is done from a prone position to receive highest awards. In this competition full honors for prone position have been achieved by Warren, Kenneth and Ronald Graber.

They all scored at least 244 hits out of a possible total of 250 to earn for themselves the high award of expert marksmen. George Edwards and George Buchet, top-notch shots, will attempt to win the expert rating before the season closes. During the last month a half dozen perfect marks have been chalked up in the clay pigeon shoots.

Tourney Delayed By Wet Weather; End Not in Sight

FOREST HILLS, N. Y., Sept. 3.—(AP)—America's first combined men's, women's and veterans' national singles tennis championships are rapidly becoming a headache to officials.

For the second time since the three-ring circus under one top was started last Thursday the show was postponed on account of rain, making it impossible to hold the men's final before Sunday.

Ohio State Biggest Threat to Midwest Teams

Observers pick Ohio State to be the strongest football team in the midwest this year and probably one of the best in the country. With many veterans returning and a sensational type of offense the Buckeyes will stack up strong. Captain Gomer Jones, Buzz Wetzel, John Kabealo and Stan Pincura are the aces up Coach Francis Schmidt's sleeve. Minnesota, with Glen Seidel, carrying on for Pug Lund, is expected to have another powerhouse team. Purdue was hard hit by graduation and a tough schedule faces the Boiler-makers.

Northwestern has a new coach. Chicago boasts one of the best backs in the country in Jay Berwanger. Iowa, with Dick Crayne fullbacking, is going to be tough. Michigan isn't the material to be top-notch again. Notre Dame has a dynamite-laden schedule but will be a strong club. Michigan State, with Kurt Warmbein heading the 19 letter-men into camp, promises to be another midwest giant. New coaches will greet three of the six Missouri valley squads but Kansas State and Nebraska will undoubtedly maintain top berths.

Joe and Max Prepare for Heavy Grind

POMPTON LAKES, N. J., Sept. 3.—(AP)—After a week of rest, Joe Louis, the brown bomber from Detroit, will buckle down here ten days ago to prepare for his battle for Joe Louis September 24 battle with Max Baer.

The first day's schedule, as mapped out by Trainer Jack Blackburn, calls for six miles of road work in the morning and a bus session in the outdoor ring in the afternoon. Two sparring partners, Leonard Dixon of Philadelphia and Roy Williams of Chicago, already are in camp. The veteran Larry Johnson, who lives only a few miles away, has volunteered to take some of Louis' punches if needed.

Fish Docile Till Ashore, Battles Fiercely on Dock

Dave Drager, county treasurer, who spent the weekend at Cutler City, was telling a fish yarn locally yesterday that Dave avows is the absolute truth. Jack Johnson, boathouse operator at Cutler City, Drager reports, saw a large fish swimming a short distance from the end of a dock with its back thinly veiled by the shallow water.

Rowing toward the fish he neatly gaffed it in the back and led it toward the pier. Onlookers helped Johnson lift the fish from the water, a glistening 200-pound prize, which still displayed resistance. Upon hitting the dock the fish put up a terrific fight and drove all spectators to cover before he finally subsided. Cutler City experts were unable to determine the species of the monster.

City Grass Crew Blamed for Fire in Layton Claim

The city grass crew, which burns over weed-covered lots when the owners fail to do so, was blamed last night for a fire that destroyed a garage and contents at 940 Columbia street July 21. H. R. Layton filed a claim with the city council for \$45.10 as losses alleged from burning of an electric grill, a trailer, an auto tent, garden hose, stovepipe and paint which were stored in the garage.

Layton's letter held that the garage fire started from sparks remaining from a grass fire set by the city crew the day before.

The mayor also delegated the special committee he named recently to cooperate with state officials in planning the new capital to confer with the county court in regard to the possibility of a city-county building being constructed to replace the present courthouse and city hall.

Forest Fires in Linn County Are Causing Concern

SWEET HOME, Ore., Sept. 3.—(AP)—Three fires in this area were causing concern tonight.

Dense smoke late today hid activities of 20 men who were dispatched to quell a blaze on Swamp mountain.

Nearly 50 men are on the fire lines near the head of Big Wylie creek eight miles southeast of Sweet Home.

Another 100-acre blaze was reported 20 miles south of Brownsville.

Other accidents, notably drownings, added to the loss. California continued to lead the states, with 41 deaths, three caused by a plane crash Sunday night. Twenty-one of the fatalities were in the Los Angeles area.

The three-day weekend was marred by the following fatalities in other states:
New York 24, Illinois 21, Pennsylvania 20, Missouri and Ohio each 16 and Michigan 15.

DEMURRER UPHeld IN HOTEL DISPUTE

Circuit Judge L. G. Lewelling handed down a decision in court yesterday sustaining the demurrer filed by James and Faris Linn, majority stockholders in the Marion Hotel company, as defendants in the suit to foreclose on the hotel's bonds.

The complaint was filed by Thomas A. Roberts as personal trustee for the bondholders. The judge's decision sustained the argument of John H. Carson, attorney for the defendants, that Roberts as personal trustee, had no authority under the trust agreement to institute the bond foreclosure proceedings.

Carson contended that the corporate trustee was the only one who could under the agreement institute such proceedings, unless 51 per cent of the bondholders constructed to replace the present trustee.

Under the agreement the First National Bank in Salem was named corporate trustee, but later resigned and the position was taken over by the First National Bank of Portland.

HOLIDAY WEEKEND DEATHS OVER 300

(By the Associated Press)
Deaths in the heavy traffic of the holiday weekend exceeded 300 in the nation, an Associated Press compilation disclosed last night.

Late records showed 309 fatalities, still short of the predicted "350 to 400" deaths which the national safety council estimated would be the probable toll for "death's favorite holiday."

Other accidental deaths, notably drownings, added to the loss. California continued to lead the states, with 41 deaths, three caused by a plane crash Sunday night. Twenty-one of the fatalities were in the Los Angeles area.

Head Man Jones Keeps Few 1934 Regulars but Hopeful Of Regaining Lost Laurels

By PAUL ZIMMERMAN
LOS ANGELES, Sept. 3.—(AP)—Out of the wreckage of the 1934 season Coach Howard Jones will attempt to salvage and build a gridiron galleon this year that can successfully weather the stormiest football seas the University of Southern California ever faced.

Eight regulars and 15 letter-men from that ill-fated team of a year ago, which slumped to the lowest level in years, are gone but few of them will be missed.

The task ahead is a difficult one, but Troy's head man of football thinks there is a possibility of rebuilding in a year. At least he is going to try by luring sophomores and juniors into the all-important end and half-back positions, not to mention running guard.

Sophos on Wings
Bill Gaisford and Charles Williams, two able freshmen performers last year, will be given first call at the wing positions which were to weak a year ago. A Florida youth, Mason-Rose and Jack Clark of Arizona stand out at right half while Owen Hansen, a shot putter by trade who had no high school experience, is favored to get the call at left half.

Raphael Brosseau, fast, rugged sophomore, will attempt to lead the interference at left guard where such stars as Johnny Baker, Nate Barrager and Aaron Rosenberg once paced the way.

But there will be sufficient veteran material for stability. Coach Jones intends to use two fairly successful tackles of 1934, Bruce Hull and Elwood Jorgenson, at these positions again and feels that Bob Sanders will do at right guard. Gil Kuhn will be back at center.

Propet Back Again
Dave Davis, an elusive individual of one year's experience; Bill Howard, an expert passer, and punter and Glendon Thompson, graduate from the yearling ranks, probably will alternate at quarter.

Cliff Propet, in his senior year, will be asked to take the full-back's assignment with aid from Ford Lynch and Theoren Keller.

"This should be a better team than the one we put on the field last year," said Coach Jones. "But I also feel we are playing the toughest schedule of any team in the country. It speaks for itself."

LEAGUES ENTER STRETCH DRIVE

Cards and Cubs Favored by 2 Weeks Home Play; Giants on Road

By EDDIE BRIETZ
NEW YORK, Sept. 3.—(AP)—Washed out along the baseball front, the 16 major league teams were rolling eastward and westward tonight to begin the 1935 stretch drive.

National League teams, with three contenders promising a dog fight right down to the tape, begin long stands in the west. The scene of the rather one-sided race in the American League shifts to eastern arenas.

Two of the National League favorites—St. Louis and Chicago—have a big advantage in their three-cornered duel with New York. For the next two weeks the Cardinals and Cubs perform in their own orchards whereas the Giants must play their next 15 games in alien territory.

The Giants open a four-game set in Cincinnati tomorrow and then proceed to Pittsburgh with four jousts with the troublesome Pirates. From there they invade St. Louis for their final battles with the Cardinals, then wind up their last western invasion with four games in Chicago.

At this time a year ago New York held a six game lead, with the Cubs and Cardinals tied for second. Today finds the World Champion Cards two games ahead of the Cardinals, then wind up their last western invasion with four games in front of the Cubs.

The Pirates apparently shot their pennant bolt when their fine winning streak snapped recently. They are now eight games behind the league leading Cardinals, but still capable of throwing plenty of monkey wrenches into the well laid plans of Messrs. Bill Terry, Charlie Grimm and "Farmer Frank" Frisch.

Seven-year-old Princess Josephine Charlotte, eldest of Astrid's three children, sat at her father's right on a throne inside the cathedral choir. She was clad wholly in white, in contrast to the dark-robed women and brightly uniformed princes.

Tears rolled down her cheeks at times. Leopold buried his face in his hands during part of the service.

As the emerald-lined coffin, covered with the Belgian tri-color and Astrid's crown on a cushion before it, was taken to Laeken, the king, who was scheduled to enter a coach, decided to walk the nearly three miles alone behind the hearse.

In a coach and cars were Dowager Queen Elizabeth, widow of 18 months ago when Leopold's father, King Albert, was killed while mountain climbing, and other relatives and royal guests.

After the service at Laeken the family alone witnessed the lowering of the coffin. The tolling of bells and a bugle call signalled the end of the journey to Laeken.

MacIvor Injured In Odd Accident; Willamette Grad

YAKIMA, Wash., Sept. 3.—(AP)—Scratching a match on the side of a building, a young attorney was enveloped in a sheet of flame, and a flash of fire shot two stories up the side of the building.

When MacIvor stopped running, he found he was burned on the right hand and arm and was missing eyebrows, eyelashes and part of his hair.

Apparently there was a gas leak where the match scratched.

MacIvor is a graduate of the law department of Willamette university, class of 1925.

CRAMER BODY FOUND
THE DALLES, Ore., Sept. 3.—(AP)—Master creek yielded the body of John Cramer, 21, late yesterday. Cramer is believed to have drowned in the creek Sunday. There were no witnesses to the death. Survivors include the youth's parents, Mr. and Mrs. C. C. Cramer of Mosier, who were in the Willamette valley picking hops when the accident occurred.

QUEEN OF BELGIUM PAID FINAL HONORS

BRUSSELS, Sept. 3.—(AP)—The body of 29-year-old Queen Astrid was buried beside those of Belgium's monarchs in the royal crypt under Laeken church.

Beside it was placed a wreath of her favorite flowers—orchids—a final gift from her husband, King Leopold.

Leopold himself, dry-eyed and his face pale and drawn, limped behind the hearse on the journey of nearly three miles from the palace to Ste. Gudule cathedral. He was bare-headed and his right arm was in a sling. Once he stumbled and nearly fell on the cobblestoned street.
