NEW YORK, Sept. 14-(P)-The stock market today plodded along dully in the short session, with a little mild profit-taking leaving the general run of prices slightly

lower at the finish. Some of Friday's enthusiasm for the non-ferrous metal shares continued, and a few specialties were well taken.

The more cautious tone of brokerage advices in regard to the near term market movement, however, appeared to be reflected in a reluctance to reach very much for the recent favorites in the blue-chip group.
