Pattern

By ANNE ADAMS

Mother highly approves the frock with bloomers for her growing youngsters, whether that young "lady" is a wee kindergartner, or nearing her tenth birthday. Isn't she cute in her plaid cotton frock, either a light airy plaid, or a very bold one, which is the most serviceable from the laundry standpoint? The front is comprised of a yoke that's cut in one with its two generous box pleats; the back has a single box-pleated panel. Puffed sleeves are their own excuse for being, though long ones make the frock warmer. Bloomers to match are included in pattern.

Pattern 2501 is available in sizes 2, 4, 6, 8 and 10. Size 4 takes 2-5/8 yards 36 inch fabric and 1/4 yard contrasting. Illustrated step-by-step sewing instructions included.

No Regimentation Of Youth, Pledged

CHICAGO, Sept. 19.—(AP)—Assurance that the New Deal is "unalterably opposed" to regimentation of American youth through interference in the public schools was given parents and teachers of the nation today by Charles William Taussig, chairman of the advisory council of the National Youth Administration.

"Politics in education" is "repugnant to this administration," Taussig, a New Yorker, told the board of managers of the National Congress of Parents and Teachers' associations.

"Few nervous and jittery 'view with alarmers' have publicly been looking under beds to find out if bogey-man known as 'federal control of the public school system' has asserted in an address.

"Up to a late hour last night, only a rusty hairpin and the figments of their own imaginations had been found."

The National Youth Administration, created by President Roosevelt to distribute \$50,000,000 in federal funds to aid needy youth, "in no way interferes with the complete autonomy of the school and college in respect to the selection of relief students in the work they will undertake," he said.

Poisoned By a Clogged System

Many people drag through life, half-sick, "half there," without ambition or energy to do the things they should want to do—and just a lot of times it is all because their systems are poisoned by clogged-up bowels and inactive kidneys. If you are one of these sufferers—if you feel run-down, sluggish, with no appetite for food or zest for living—try Williams S.L.K. Formula. Take just a few doses and see how much better you feel.

Williams S.L.K. Formula is compounded from a former army doctor's prescription and contains several valuable ingredients which act in four beneficial ways: as a mild tonic stomach stimulant, mild laxative, and diuretic stimulant for the kidneys. Don't take too-harsh irritating drugs. Get Williams S.L.K. Formula at Perry's Drug Store today. The first bottle must satisfy you or money back.

Brilliant Negress to be Barred From University And Test Case Planned

RICHMOND, Va., Sept. 19.—(AP)—The board of visitors of the University of Virginia today directed the graduate dean to "refuse respectfully" the application for entrance made recently by Alice Jackson, daughter of a negro druggist, who was a graduate student at Smith college last year.

The national association for the advancement of colored people, which is making a national issue of negro attendance on equal terms at all tax-supported colleges, probably will make a test case of the matter.
