Teaching Posts For 95 Per Cent of 1935 Graduates From Normal Found, With Rest Expected to Get Places

MONMOUTH, Sept. 20 — President J. A. Churchill of Oregon Normal school, announces that 95 per cent of the 1935 graduating class of the Normal has been placed in teaching positions. Increased enrollment of pupils in a number of schools in the state, thus demanding extra teachers; and last-minute resignations of some teachers already elected, will open positions so that it is entirely probable that the remaining few unplaced will secure positions within the next month.

The total number of graduates for the year was 252, including the classes from Dec. 1934 to the end of the summer quarter. The minimum salary having been restored by the last legislature to \$75 per month—having been but \$50 per month for the past two years—will improve living standards for many teachers. Some of those placed will receive \$115 per

month, with a large proportion being paid \$90 per month.

All counties of Oregon except one are included in the placement list, with many positions in the Willamette valley.

Driers Are Glutted And Boxes Exhausted As Prunes Pour Off

LIBERTY, Sept. 20.—The prune harvest rush is on here; the prunes coming down good and everyone pushing work as hard as possible. Thursday driers became very much glutted with the fruit and a shortage of empty boxes became felt in many orchards.

Box shortage will slow up the packing temporarily until driers are able to catch up. The Jory cannery here is operating night and day but found it necessary to call a halt Thursday on deliveries for the day.

Deliveries for Friday have been restricted to a certain number of loads for each grower so the cannery may take care of all fruit in good time.

Normal School and Academy Report Increased Enrollments for Every Department as New Year is Started

MT. ANGEL, Sept. 20.—Formal opening of Mt. Angel Normal school and Mt. Angel Academy took place Thursday morning. A high mass was sung in the chapel at 9 o'clock by Rev. Vincent Koppert, O. S. B., rector of Mt. Angel college, who had charge of the registration in Rev. Alcuin Heibel's absence, after which classes opened.

Registration figures, which will not be complete until next week, show an increased enrollment in all departments. Normal college extension, and academy students have enrolled from North Dakota, Montana, Washington, and all sections of Oregon. Day students from Woodburn, Silverton, Gervais, St. Louis and other surrounding towns are coming in by

bus or private car; while the number of local students will surpass that of last year.

Mt. Angel Normal school and Mt. Angel academy are conducted by the Benedictine Sisters. The Oregon standard normal course leading to state certification is offered in the normal school. Regular academic and commercial courses are taught in the high school.
