## HERE'S THE LOWEST COST AUTOMATIC HEATING UNIT YOU CAN BUY FOR YOUR PRESENT FURNACE!

## **LUMINOUS FLAME GAS CONVERSION** BURNER only \$ 11 11 50 installed TERMS-\$5 a month

 If your present solid fuel furnace is in good condition, the most inexpensive way to have automatic heat is to install this gas conversion burner. This is the only burn-) er that operates on the combustion principle for which your present furnace was designed. Its use makes your furnace 10%-15% more efficient.

This gas conversion burner can be installed easily and quickly. Then you will be rid of the nuisances of fuel ordering, delivery, cutting and storage-of uneven heat -of monotonous furnace tending-of ashes, soot, dirt and constant cleaning. The cost of this burner is lower

than that of any other type of automatic burner. Reduced gas heating rates have put the convenience of this effortless heat easily within your reach.

So plan to see this burner in operation in our showrooms today. Hundreds who installed burners last year are completely satisfied. You will be glad you purchased one of these conversion burners, too.

Installation time...only a few hours!

## IF YOU NEED A NEW FURNACE YOU CAN GET A COMPLETE GAS HEATING SYSTEM FOR AS LITTLE AS..

 Here is the most remarkable offer you have ever had. A new gas burner, plus all necessary complete furnace with built-in ducts, air returns, registers, etc., to give you a complete new heating system. You can't buy any other type of automatic heating system for anywhere near this price. In fact, most automatic burners alone cost about as much as this complete automatic gas installation.

Remember - this price includes full installation of furnace with thermostat, humidifier, necessary cold air returns, necessary heat ducts wrapped in asbestos paper, and registers.

TERMS-\$8 a month plus small carrying charge

You have your choice of gray, red or green sprayed finish. All work is in accordance with the code for furnace installation. This \$287.50 complete gas

furnace installation is for homes containing not more than 5 rooms and bath on one floor, where pipe furnace system is replaced. If your home has 2 stories and not more than 8 rooms, you will need the larger furnace on which the price is \$377.50 and your old pipe furnace, ducts and attachments. Terms on this installation, \$11.50 a month plus carrying charge.

## When you heat with Gas, you get all your Gas at lowest cost!

Good-bye furnace drudgery. Gas househeating rates are down! Other fuel costs are rising. The convenience of clean, safe, dependable, unfailing gas heat is now easily within your reach.

Thousands are taking advantage of another economy only gas offers. When you heat with gas, you also get your gas for cooking, water heating and refrigeration at lowest cost.

of your heating requirements and advise you as to which gas heating appliance will give you the most heat for the least money. No obligation.

We will gladly make a scientific analysis
