Pattern

By ANNE ADAMS
No matter what the scales may show, a forty-eight will find the same slim-line silhouette as a fourteen in this easily made slip. Its chief claim to fame is an extra back piece which may be sewn across the back, and down one side only, to provide a shadow-proof feature, and assure a comfortable stride with its added "give." No chance for straps to slip, either, being cut in one piece with the bodice, while cleverly placed darts provide fit over the bust. It's a grand idea to have a dark slip to match important dark frocks. Non-shrinkable rayon or crepe are nice, too, in tea-rose.

Pattern 2512 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36 and 38. Size 14 takes 3 1/2 yards, 39 inch fabric. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state size.

Order your fall and winter edition of Anne Adams patterns. Write to be thrilled with the smart designs in pictures—clothes for all occasions—easy to make Christmas gifts, too. And helpful advice on being the charming, perfectly-dressed woman. A book you'll love and consult frequently—all season! Price of book fifteen cents. Book and pattern together twenty-five cents.

Address orders to The Oregon Statesman Pattern Dept., 215 South Commercial Street, Salem, Ore. Make necessary enclosures. Your order will be promptly enclosed. Orders customarily are filled within four days from the time received by The Statesman.
