A 20 horse motor can emit one cubic feet of carbon monoxide gas per minute.

Washington's big fall and winter nuisance has returned. The starlings have taken up their roost on the new government buildings and elsewhere. But this year Clifford Lanham, who as the district's superintendent of trees and parks is the capital's chief starling chaser, is ready for them. With an appropriation of over \$14,300 he is already planning the 1935-1936 drive against star-
