Knows Lighting

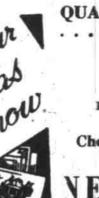

FRANK PRATT

Camera Artist to **Show His Method**

Frank Pratt, formerly on the faculty staff at Winona school of photography, will arrive in this city today and will demonstrate his special lightings for men's character portraits all week, using the spacious posing room of the Gunnell & Robb studio.

The work of Mr. Pratt has gained wide recognition in the east for the strength depicted in his portraits of men, and the satisfying balance contained in his principal compositions, says Miss Kathryn Gunnell of the studio.

He was associated for some time with Will Towles of Washington, D. C., who is known among studios from coast to coast committee-Authorizing cities to for his activities in connection acquire projects for development with the Photographers' Association of America.

SALEM PROPERTY **OWNERS PENALIZED** ON INSURANCE RATES

Hidden Taxes in Insurance premiums are costing Salem Citizens thousands of dollars of unnecessary expense each year.

Remove the hidden tax on your property by removing the chargeable hazards.

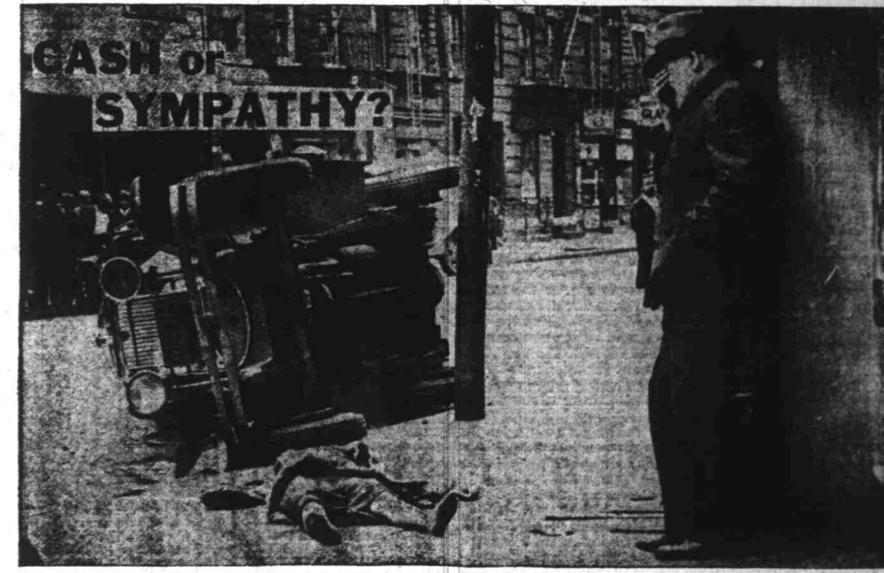

Safety Engineers of the General America Insurance Companies of Seattle are here until Nov. 30th to serve any property owner or tenant in the city. By thorough expert engineering inspections they will seek out the hazards that are charged against your property insurance rates, and show you how to reduce the insurance cost.

No cost-no obligation for this service. A request is all that is required.

Call in person or telephone:
