## How to Keep Colds UNDER better CONTROL

**Catching Cold? .. Vicks VapoRub helps Prevent many Colds**  
 At the first warning nasal irritation, sniffle or sneeze, use Vicks VapoRub—just a few drops up each nostril. VapoRub is especially designed for the nose and upper throat—where most colds start. It stimulates Nature's own functions—in the nose—to help prevent colds, and to throw off head colds in their early stages. Used in time, VapoRub helps avoid many colds.

**Caught a Cold? .. Vicks VapoRub helps End a Cold Sooner**  
 If a cold has developed, rub Vicks VapoRub on throat and chest at bedtime. VapoRub acts direct—two ways at once: (1) By stimulation through the skin like a poultice or plaster; (2) By inhalation of its medicated vapors direct to inflamed air-passages. Through the night, this combined vapor-poultice action loosens phlegm, soothes irritation, helps break congestion.

Follow Vicks Plan for Better Control of Colds  
 A helpful guide to fewer colds and shorter colds. Developed by Vicks Chemists and Medical Staff; tested in extensive clinics by practicing physicians—further proved in everyday home use by millions. The Plan is fully explained in each Vicks package.

**Silent partners to almost a million housewives every THANKSGIVING DAY**

In the West's largest Homemakers' Bureau these experts prepare—and test—foods, recipes, menus

**They offer you help today—and 365 days a year**

For weeks, Thanksgiving inquiries from housewives have been pouring in. And into the mail bags these Safeway home economists have popped thousands of tested suggestions.

You see, gathering facts for you on how to serve tempting meals gracefully—in shorter time—is the life work of Julia Lee Wright, nationally known Safeway home economist.

It's also the full-time job of all her staff of experts at the Safeway Homemakers' Bureau, largest in the West.

Constantly they scheme out ways to help stretch your food dollar at your Safeway grocer's.

In doing this the Bureau turns out menus, recipes, party and cooking advice to the tune of more than 93,000,000 printed pages a year. Over 50,000 requests are answered annually.

And day by day, the Bureau tests—and approves or rejects—a vast number of foods before they are offered to the public.

**PLANNING YOUR THANKSGIVING DINNER**

They don't "guess" at the Homemakers' Bureau. Every recipe and menu—each food that is used—gets a real "homemake test." Even table decorations and party favors are carefully worked out.

How to use the Bureau? Send your homemaking inquiry to Julia Lee Wright, Box 660, Oakland, California

It's the job of lowering retail prices—and also paying back to the farmer a larger share of every dollar spent at Safeway stores.

Quite easily you can test what your Safeway grocer saves you. Do all your trading at his store for one month. Keep a record of what you spend.

Then compare your monthly outlay with your total food bills for the previous month. Start this test tomorrow... M. L. Beañ, Division Manager for Safeway Stores, 239 South East Salmon Street, Portland, Oregon.

**FREE THANKSGIVING HELPS**  
 Special leaflets (sent without charge) are offered on Thanksgiving dinner menus, tempting recipes and party games. Or the Homemakers' Bureau will prepare suggestions especially for you.

Ask, too, about money-saving ways to entertain, special menus for children, tips on how to tell good meat, good fish, the freshest vegetables—all kinds of foods.
