Kyle May Appear, **Grand Jury Probe**

John Kyle, accused of first-decree murder for the death of Hugh Jean Sloan, 41, at Broadacres on January 2, will be brought before the Marion county grand jury for investigation today if Kyle wishes to make an appearance, it was learned at the courthouse yesterday. Witnesses who appeared against Kyle when he was in court before Justice of the Peace Overton at Woodburn will be questioned. Kyle was bound over to the grand jury this week on a first-degree murder

charge. The alleged murder took place on Kyle's farm at Broadacres early on the morning of January 2. Kyle and Sloan, good friends, had attended a boxing match at Salem on New Year's day. Both men had been drinking. State officers think the killing grew out of a drunken altercation. Kyle alleges a man attacked him after he had gone to sleep; that awaking, he pulled his gun from under his pillow and fired, not knowing the assailant was Sloan.

Van-Tage is a new, advanced medical compound of 30 of the Finest Medicinal Herbs, and not one a habitforming drug. It is taken after meals and mixes with the food in one's stomach, thus throwing off the poisons that foster stomach troubles and permitting the kidneys and liver to function properly. It acts withn 10 minutes to stop gas and pains, soreness, bloat and belching. It will not gripe

or nauseate you like ordinary liver medicines. It will work the bile from the liver as black as ink. At the same time Van-Tage drives the poisons from the kidneys and relieves backaches, bladder irritation and weakness. Often relieves children from bed-wetting in a few days. Strengthens the nerves by natural means.

Now, whether Van-Tage will help you as it has thousands of others—whether it will end your suffering in a day or a week-remains to be seen. But in light of what it has done for others, it is surely a mistake not to try it for 25 CENTS, only a fraction of its worth. This introductory offer is good Friday and Saturday ONLY, so read the rest of this announcement and act at once. Do this in fairness to yourself, your family.

WHAT IT WILL DO!

Van-Tage will cleanse your bowels (gradually-not drastic or severe) as they we NEVER CLEANSED BEFORE.

It will bring out awful gases and impuri-ties (frequently from the first dose) which may have been inside of you a long time,

Van-Tage will relieve acid conditons and make the digestive organs sweet and clean and give complete relief from indigestion, bloating. sour stomach, shortness of breath and dyspepsia.

IT WILL give you the greatest appetite you EVER HAD IN YOUR LIFE.

Van-Tage will act as a di uretic to sluggish kidneys and flush out quantities of impurities that may have become dammed up inside, causing BACKACHE, SHARP PAINS and RISING AT NIGHT.

It will make your liver more active; will clear away old bile deposits, thus reliev-ing spells of biliousness and sick headache.

Rheumatism is often caused by acid arising from stomach hyperacidity. Neuritis is also many times traceable to an acid stomach which poisons the nerves.

IT WILL clean up skin eruptions that are caused by the impurities in the organs, will overcome the sallowness or "muddiness" that is due to sluggish liver and will put the ROSY GLOW of HEALTH into your cheeks. Van-Tage will act on your stomach, liver, kid-neys, and bowels, build you up in general and make you LOOK, ACT and FEEL like a DIFFERENT MAN OR WOMAN, years

younger than your real age.
