

Large Vote Expected at Silverton Monday on School Bonds

Need Is Great Leaders Avow

Funds, If Approved, Will Be Used For New High School

SILVERTON, Jan. 28.—The voting of bonds on February 3 to build a government gift on the proposed PWA school project here, is considered one of the most serious questions to come before the taxpayers of the Silverton school district in some years. Those eligible to vote on the measure are all taxpayers on real or personal property, whose names appear on the tax rolls and all of those who own stock in a tax paying corporation. It was estimated this week that voters will number close to 1500.

The crowded condition of the high school at Silverton is explained when it was made known that at the close of the first semester only four places for seating were available with many new pupils added to the roll this week.

Cramped at Present
The present high school building has 19 class rooms, a principal's office, study hall, two lavatories. The high school Smith-Hughes classroom and shops are housed in rooms built onto the woodshed. Five rooms in the east wing of the Eugene Field building are used for high school work and the basement of the junior high school building houses a manual training shop.

The proposed new high school, after the addition is added and the remodeling done will contain 20 classrooms, a library, agriculture shop, manual training shop, mechanical drawing room, study hall that will seat 548 people; four lavatories, three storage rooms, teachers' rest room and a principal's office.

The project calls for a government grant of \$38,454, which has already been granted, and a bond issue for district number 4 of \$47,000. The district's present bonded indebtedness is \$33,600, while it can be bonded for \$100,950.00.

4-L Is Sponsor
The 4-L organization of Silverton in a meeting early in Janu-

Grangers' Column

VICTOR POINT, Jan. 28.—Mr. and Mrs. W. M. Tate and Mr. and Mrs. W. F. Krenz were hosts at a grange benefit card party at the hall Saturday night for members of the Home Economics club and their families. At "500" Thelma Humphreys won high score for women and J. C. Krenz for men.

DAYTON, Jan. 28.—"A Leap Year Arrangement" was the title of the comedy in the interesting program presented by students of the dramatic class of Linfield college at the social meeting of Webfoot grange held at the hall Saturday night. Charles E. Nelson talked on the measures to be voted on January 31. Refreshments were served followed by dancing.

History Repeats
FAIRFIELD, Jan. 28.—About \$30 for the building fund was cleared at the pie social and entertainment Friday night at Fairfield grange hall.

A play "A Case of Suspicion" was presented by a group of young people. The parents of some members of the cast were charged to sponsor the election at Silverton. The 4-L chapter issued a statement giving reasons for sponsoring as follows:

"That the school, especially the high school, is overcrowded and we believe we would be compelled to build in the near future.

"We believe it is good business to build now and take advantage of the \$38,454.00 grant from the government which we will have to help pay whether we accept it or not.

"We believe a school can be built cheaper as everything seems to be going up in price.

"That adopting this plan is advisable because of cheaper operating costs than would be possible if a school were built on a different location farther away from the present buildings.

"By having the buildings all in a group we can use the present heating plants and one set of employes, thus making quite a saving on the cost of operation.

"We believe it is necessary to maintain a standard school and in order to have it, ample room is necessary.

The local 4-L chapter is headed by E. A. Boesch.

Reports Heard By Civic Club

Word From PWA on Funds to Improve City Park Is Lacking

MONMOUTH, Jan. 28.—No news has been received from PWA headquarters at Washington concerning a proposed fund for improving the city park here. Reports at the January Civic club meeting. Late last year the club secured landscaping plans from Ernest Lufer, Salem gardener, to alter and improve various aspects of the park. It is hoped the work may proceed if favorable PWA consideration is forthcoming.

Several service organizations of town reported on local affairs continuing to the Civic club's general program. Mayor Bowersox commented on the city's plan for continuing to reduce indebtedness; to have more streets paved, mentioned the passage of ordinances for building and bill peddling, and expressed hope for a municipal playground in the near future.

Women Are Active
Mrs. C. C. Powell reported activities of the American Legion auxiliary in providing relief for needy, aiding the proposed sewing project, and with magazine subscriptions for the library.

The Monmouth Luncheon club has voted aid for the sewing project for the Boy Scouts, the Good Will Carnival, improvements to Helmick state park, and in city tree planting, according to E. A. Stebbins.

Oscar Groves reported that the local legion is formulating ways and means for a highway safety plan. C. C. Powell reported that the chamber of commerce is sponsoring the goodwill carnival, and is interested in road improvements in this community.

Mrs. R. D. Elliott furnished music for the occasion.

**Final Rites Held
For Mrs. Gerth**
ZENIA, Jan. 28.—Funeral services were held for Mrs. Caroline Louise Gerth, 81, of Toledo, at the Clough-Barick chapel, Monday, with interment in the Zena cemetery. Dr. W. C. Kanter officiated.

Caroline Louise Beverly was born October 13, 1855, in Wayne county, Indiana. When she was quite young, her family moved to Des Moines, Iowa, and January 23, 1881, she married Clemens Gerth. They soon came to Salem, where they resided for three years. They then moved to Lincoln, in 1884, and lived there until the death of Mr. Gerth in 1915, after which Mrs. Gerth spent eight years as a companion of Mrs. A. Gilkey, a pioneer of Yamhill county.

After Mrs. Gilkey's death in 1931, Mrs. Gerth moved to Toledo, where she since resided with her daughter, Mrs. Lillie Anderson, and her granddaughter, Mrs. Ivan Macready, at whose home she died January 25. She leaves one son, Walter B. Gerth of West Salem, two daughters, Mrs. Lillie Anderson and Mrs. Mamie Perry, both of Eagle Point; eight grandchildren; three great grandchildren. Mrs. Gerth was a life-long member of the First Methodist church.

**Morning Star's
4-H Dairy Club
Best Last Year**
ALBANY, Jan. 28.—Selection of the Morning Star dairy 4-H club as the outstanding club of 1935 was made by the club leaders from the county at the meeting held here. Glenn Ohling is the leader of the club. Selection was made upon the awarding of points as follows: participation in 4-H club activities, 30 points; winning of club awards, 30 points; record books, 25 points; and meetings five points. Only 100 per cent clubs were eligible for this selection.

The Morning Star 4-H club is now eligible to compete in the state contest for outstanding club selection, and sponsored by Richard Bailey and the Oregon State college campus 4-H club. Five other clubs scored high in the county contest.

**Community
Clubs**
ROBERTS, Jan. 28.—The pie social held at the Community club Saturday night netted \$16.60 for the club. The next program will be furnished February 8 by the women's club in charge of Mrs. Robert Jackson assisted by Mrs. S. C. Davenport and Mrs. Forest Edwards. A small door charge will be made.

W. C. Pettyjohn has charge of the program for February 22. Robert Hutcheons of Salem sang Scotch songs, accompanied by Mrs. Forest Edwards, and Halla Perry orchestra presorted numbers.

Berning Again Head of Co-op

Cheese Manufacture Left to Directors For Decisions

MT. ANGEL, Jan. 28.—The Mt. Angel Cooperative Creamery held its annual stockholders meeting in the Mt. Angel auditorium, Monday. R. J. Berning, Jos. Bernat and Chas. Bochsler were re-elected to the board of directors. The board then voted to have R. J. Berning remain as president of the board, Jos. Bernat, vice-president and Frank Hettwer, secretary and manager. It was voted to leave the matter of going into the cheese manufacturing business entirely to the directors.

The annual report showed a gain of \$21,734.35 for the year. The total volume of business for 1935 amounting to \$575,755.98 with 1,656,362 pounds of butter manufactured during the year; 1,224,312 pounds of milk powder made; and 2,329,427 pounds of cream hauled. From the total output of butter 96.50 per cent was no. 1 or 92 score or better butter; 3.25 per cent was no. 2 or 90-92 score butter, and only 25 per cent was no. 3 or less than 90 score butter.

Improvements, totaling a cost of \$9,046.61, have been added during the year 1935. All lockers in the refrigerating plant were reported rented and several names entered on the waiting list. Lunch including strawberries from the creamery's own refrigerating plant and cream, was served at noon in the school dining hall.

Galer Addresses Club
The Mt. Angel Business Men's club met for their regular bi-monthly meeting and luncheon at the Mt. Angel hotel at noon Monday. Fred Galer, Mt. Angel college athletics coach, spoke on the M. A. C. Basketball team.

Jos. Bernat gave a report on the flax movement and asked the business men to help finance the project by buying stock in the new cooperative organization. A committee was appointed to consider plan.

The first cooperative auction sale sponsored by the business men, will be held here at the Schmaltz warehouse, Wednesday, at 10 a. m. The sale will be conducted on a non-profit basis. To cover the expenses of the sale a commission of 10 per cent on each sale of less than \$5, except live stock, 5 per cent on each sale of \$5 or more, and 5 per cent on all livestock, regardless of price, will be charged. The seller may buy back any bid for \$1 and cancel the

Brotherhood to Meet
UNIONVALE, Jan. 28.—The Unionvale Brotherhood will meet at the church Tuesday night, February 4. Special speakers will be present.

Chemawa Indian School to Observe 56th Anniversary in Two Full Days Celebration on February 24 and 25

CHEMAWA, Jan. 28.—The 56th anniversary of the Chemawa Indian school—the oldest Indian board school in the United States today—will be observed in two full days' celebration here Monday and Tuesday, February 24 and 25. Paul T. Jackson, new superintendent of the school, announced yesterday.

Twenty committees are working on plans for the celebration, which embrace entertainment, programs and festivity on the Indian school campus both days and nights. All shops will be open for visitation by the public as well as other buildings on the campus.

Games will be featured, and a number of real Indian tepees will be set up on the grounds to add to the atmosphere for the days. Athletic contests for both old and young will be staged.

Band music will be a prominent feature, with Salem high school and West Linn high school bands to be guests on the campus for the anniversary entertainment.

Walter Filbin and Steve Hortch will be auctioneers. The committees in charge of the sale include Jos. Keber, P. N. Smith and O. L. Withers, assisted by E. G. Unger.

Silverton Bonus Share \$150,000

SILVERTON, Jan. 28.—James Scarth, commander of the Delbert Reeves post of the American Legion reported Tuesday that information on the adjusted service certificates is reaching Silverton and applications are expected to arrive by the middle part or last of this week.

The local post will maintain headquarters at the Coolidge & McClaine bank with a stenographer to assist in making out applications.

Estimates are that the certificates will bring approximately \$150,000 to the Silverton community and that there are 200 ex-service men in this community. Mr. Scarth explains that the service at the headquarters will be for all ex-service men and not only members of the Legion post.

At the Monday meeting of the Legion, the bonus will be discussed. Plans for the approaching dance will be discussed and a definite date will likely be set for this.

Further plans will be made for the Marion county council which will meet at Silverton, February 14. Irl McSherry is president and Harry Wilson of Silverton is secretary. Delegates from Silverton include Mr. Scarth, Larry Austin, Hans Olsen, Olaf Bolme, and Harry Wilson.

Special P-T Meet To Discuss Bonds

Patrons Will Tour School to See Need For New High Building

SILVERTON, Jan. 28.—A special meeting of the Silverton Parent-Teachers association will be held at 2 o'clock Thursday afternoon at the Eugene Field auditorium. Mrs. Lee Alfred, president, will preside.

The meeting is called for the purpose of discussing the bond issue election to be held here Monday. Robert Goetz, superintendent of Silverton schools will lead the discussion. Following a round table, the association members and friends will be taken for a tour of inspection throughout the plant. School will not be dismissed and arrangements are that patrons will have an opportunity of seeing the plant at work and thus judging for themselves whether or not additional room is needed.

All members are urged to bring guests with them to the meeting and everyone interested in the election is invited to attend whether or not they are members of the association.

Boyces Erecting Living Quarters

WALDO HILLS, Jan. 28.—The Cavett family from Salem have moved to the Mrs. M. B. Hartwell farm recently vacated by the Frank Crittenton family who have moved to Scotts Mills. A nine-year-old daughter, Irene Cavett, has entered the fifth grade at Centerview.

Mr. and Mrs. Edgar Boyce have begun to erect living quarters on the 37-acre tract in the Evergreen district purchased last week from Mrs. Edith Philipp. They are building near the site of the house that burned there nearly six years ago.

Harold Roop, Jr., 13, son of Mr. and Mrs. H. E. Roop of the Evergreen district is seriously ill at home suffering from a kidney infection and complications. He was taken ill suddenly last week. George Haberly, also 13, son of Mr. and Mrs. Karl Haberly, is suffering from ear trouble. George attends Centerview.

**RELIEVE EXTERNAL
MUSCULAR PAIN**
(So Often Mis Called "Rheumatic")

If you are one of the vast number of people who suffer torturing, stabbing shooting, external muscular pains of arms, legs, shoulders and body, which are so often mis-called "rheumatic," here is a quick relief. Take just a few doses of Williams R. U. X. Compound. It must produce results or money back. Williams R. U. X. Compound is compounded from the prescription of a doctor who used it in his private practice many years. Now this valuable relief is available to sufferers at a cost of only a few cents a day. Try a bottle under the money-back guarantee. Enjoy blessed relief as so many say they have. Ask at Perry's Drug Store for Williams R. U. X. Compound today.

**SAFE...
FAST...
WARM** winter way to CALIFORNIA

THE SAFEST HIGHWAY in the world is the road of steel rails. This is something to think about—especially in winter when other highways are so often slippery and dangerous. Swiftly, steadily, the train clips off the miles, even while you sleep, while you eat. Cozy steam-heated coaches. Snug, soft, wool-blanketed berths. After all, these comforts do count. And they cost so little every traveler can afford to go this way. For example, look at these low fares:

One way **Kidrip**
San Francisco \$12.00 \$19.70
Los Angeles \$19.00 \$29.30
These fares are good in coaches and chair-cars on all our trains; also in improved Tourist Pullmans, plus small berth charge.
5c and 10c tray service in these cars; coffee or milk 5c, sandwiches 10c, doughnuts 10c, fruit 5c, ice cream 10c, etc. Low-cost meals in diners also.

"VAN-TAGE A GOD-SEND," SAYS PROMINENT LADY; NOW HAPPY AND WELL!

**So Weak and Nervous Her
Husband Had to Do the
Housework but She Now
Feels Strong and Well
and Would Like to Shout
Praises of Van-Tage
From the Housetops So
Every Suffering Person
Would Hear**

Remarkable statements—from many parts of this section—praising and endorsing VAN-TAGE, continue to arrive here in Salem, where this "Amazing Mixture of Nature's Medicines" is being introduced and explained to the public by The Van-Tage Man in person.

For instance, just a few days ago, the following statement, describing what VAN-TAGE can do for weak and suffering people, was received here from Mrs. Kaye Steinwehr, widely-known lady living at 5712 La Miranda St., Los Angeles, Calif. Mrs. Steinwehr was so weak and nervous that her husband had to do the housework. Nothing helped her and she nearly lost hope. But finally she found Van-Tage and says she is a different person since taking it. Following is her remarkable testimonial. Every suffering person should read this statement. Find out what Van-Tage can do!

LOST 25 POUNDS
"I could shout for joy since I found Van-Tage," said Mrs. Steinwehr. "Nobody will ever know how I suffered for three years. But I am actually feeling like some other person since I took Van-Tage and would like to shout to the houses of this city, so as poor suffering people would hear of it."

"My stomach was upset, appetite had deserted me entirely, never could eat my breakfast at all and would roll and toss about the bed all night with nervousness. I never knew what it was to get a good night's sleep and got up in the morning feeling so worn out and exhausted that I could hardly drag. For three years my husband had to do the housework. Finally, I lost 23 pounds and got so weak and pale that my friends were simply horrified at my appearance. My blood was so thin that even on the hottest days last summer I felt like I was going to freeze. I tried everything I heard of, and went to many specialists, and they all diagnosed my trouble as anemia, and I took shots of iron and many medicines but nothing ever helped me, so my husband and I both thought it would not be much longer until I would get down and be bed-ridden for the remainder of my days."

A GOD-SEND TO ME
"Well, that's the condition I was in when I heard about Van-Tage. At first I thought it would be like everything else and wouldn't help me, but I heard so much about it that finally I got it and started taking it, and will say that it was a God-Send to

MRS. KAYE STEINWEHR, Widely-Known Lady, Who Says: "I never would have believed any medicine could help a person like VAN-TAGE helped me."

Me. In no time, I could feel it helping me, and I was just overjoyed, as any poor soul would be after three horrible years like I had. I kept on with it and am now on my eighth bottle. Have gained 12 pounds and feel like some different person, and have changed so much in looks that my friends can hardly believe it is me when they see me on the street. I eat my meals with a relish and they digest like they should without any stomach trouble afterward; and my nerves have quieted down and I can go to bed and sleep all night and then get up in the morning feeling fresh and fine. I do all the housework now and am simply a new and different woman in every way. Even my blood is richer and I can stand the cold this winter and don't feel it at all.

"I never would have believed that any medicine could help a person as much as Van-Tage helped me, and I want to help other poor sufferers get the same relief I got, so I am gladly giving this statement for publication in the newspapers and hope what I have to say will cause many others to get Van-Tage and take it."

20 INGREDIENTS
VAN-TAGE is like several medicines combined into one. That is, it contains over 30 ingredients, including 21 Natural Herbs. Some of its Herbs cleanse the bowels and clear gas and pain from the stomach; others enliven the liver and relieve biliousness and sick headache; still others invigorate the kidney action and stop backache and night rising. Weak, headachy, constipated people get such a cleansing and invigorating from Van-Tage that they soon feel like new men and women. Another thing—due to the immense volume in which it is sold, the price of Van-Tage is reasonable. So don't hesitate. Get this Amazing Formula—TODAY—and start taking it!

*By mild ripe
tobacco we mean
just this—*

FIRST— ripened in the sunshine... and picked leaf by leaf from the right part of the stalk when fully ripe.

THEN— each day's picking cured right by the farmer... at the right time and in the right way... no "spotting" or brittleness, but every leaf of good color and flavor.

FINALLY— bought in the open market... re-dried for storage... then packed in wooden hogsheads to age and mellow for two years or more until free from harshness and bitterness.

That's what we mean by mild, ripe tobacco. And that's the kind of tobacco we use to give Chesterfields their milder, better taste.

Outstanding
...for mildness
...for better taste

Hogsheads of leaf tobacco "aging" for two years in storage warehouses.

Picking leaf tobacco in the "bright" tobacco fields of Virginia and the Carolinas.

Type of barn used for "curing" leaf tobacco.
