## Pattern

By ANNE ADAMS Prints are ever so smart for Spring - but "prints with contrast" are even smarter. Here's the type of frock all women love, for it adds to their femininity, and does flattering things to the figure. You, too, will find it flattering, and an easy style to make, whether you're a beginner, or an "old hand" at the game. Before you know it, those graceful capelet sleeves are all cut out-they're made in one piece with the unusual yoke- and ready to be joined to the body of the frock.
