Mrs. Smith to Build on Lots
Mrs. Alton Buys Boothby Place; Ballard's Add to Land
MONMOUTH, Feb. 6. — Mrs. Julia M. Alton, a former Salem resident, has purchased city property here known as the Boothby place. It is a slightly location at corner of Clay and College streets. She plans to make her home here at a later date.
Mr. and Mrs. George W. Ballard have extensively remodeled their home on Knox street, known formerly as the Knox street apartments. Additional land purchased by the Ballards adjoining their home includes two large improved lots cornering on Knox and Jackson streets, from C. J. Stanton.

Mrs. Dorothy Sherwood
Although Mrs. Dorothy Sherwood, above, was sentenced to die in the electric chair at Sing Sing on March 16 as a result of her first degree murder conviction at Newburgh, N. Y., for the drowning of her two-year-old son, the heated protests which followed may result in clemency. The former Salvation Army lassie received the penalty with an attitude of listless indifference.

Student Favors Townsend Plan

MONMOUTH, Feb. 6. — The Townsend club meeting here Tuesday night enjoyed an address by G. Ebbert, a student of Oregon Normal school. His theme centered about good positions now held by men of 60 and over throughout the land, many of which could be capably filled by younger men if those younger men could legitimately replace the older ones.

Particularly is this true, he said, in the teaching profession, where not only men, but women, of advanced years are retained in numerous capacities, but would be glad to retire if otherwise suitably compensated, financially.
A newly organized male quartet of club members: V. R. Skeels, A. N. Poole, A. J. Whitaker and Jay F. Powell, Morris Powell accompanied at piano. Later this month the local club will sponsor a chicken pie supper, program and dancing.

DR. DEAN RECTAL & COLON CLINIC SAYS:
Rectal and colon ailments produce their great harm not by pain, but through the nervous system. Chronic headache, stomach troubles, neuritis, auto intoxication, gas, etc., are all associated with rectal and colon ailments. Thousands of people suffer daily from what they believe to be a stomach trouble, a gall bladder condition or a chronic appendix, when in truth and in fact, their real trouble is in the colon.

It takes the place of Calomel without any restriction of habit or diet while taking. There are very few people in this world who feel so well that they do not think it is worth at least 10 times what you paid for it. You can bring back the empty bottle and we will cheerfully refund the 89 cents. It will work 3 to 4 gallons of bile from your system, just as black as any ink you ever saw that is poison to your liver and kidneys.
