

### Mill Project Is Progressing

#### Postoffice Gets New Site in Former Hammond Holdings

MILL CITY, Feb. 20.—Work on the new mill is progressing nicely, although they have been bothered some by the stormy weather, two trains of machinery are arriving daily and will soon be ready to be placed. Mrs. Grobelbe, the postmistress, has purchased the Hammond lumber office building, and will move the postoffice into this building. All new fixtures have been ordered for the office which will be a great improvement and make it an up-to-date office. Mrs. Grobelbe expects to rent the remainder of the office. Mr. Habb's office will be moved into the old post-office building.

#### Opens Machine Shop

Charles Gentry is opening a machine shop in the former Hammond shop, located near the pond, and expects to do all kinds of repair work and welding.

Miss Ermah Graham has returned to school after an absence of six weeks on account of an operation which was performed at a Salem hospital.

The Mill City 8th grade girls entertained the boys of that grade at a Valentine party at the home of Grace Golden.

Albert Toman has opened up a shoe repair and upholstery shop in the building formerly occupied by the stamp collector.

#### Allen Home Again

Dr. W. W. Allen has returned to his home from St. Vincent's hospital and is recovering from his recent illness.

Miss Helen Cowell, assistant state club leader of the 4-H clubs, will visit the Mill City grade school, February 25 to meet the club leaders, and to offer suggestions to the 4-H club work.

Dr. O. A. Olesen from Salem assisted by Mrs. Young, the Marion county school nurse, spent Monday in the Mill City grade school, where they examined the teeth of 175 children.

### Large Crowd Out For Card Benefit

DALLAS, Feb. 20.—A benefit card party which included 17 tables of contract and "500" was held at the K. P. hall Tuesday night under the auspices of the Pythian Sisters' lodge.

The committees in charge of the tables were Mrs. Albert Bennett and Mrs. Raleigh Middleton for contract and for "500" Mrs. Merritt Hart, and Mrs. Richard Domaschofsky. The committee for

### New British Heir Studious Type

As King Edward VIII accustoms himself to the unfamiliar duties of sovereign, another member of the royal family, the Duke of York, takes up the equally strange task of his new position as heir-presumptive to the British throne. The Duke of York, next in line of ascent to the crown, is not nearly so well known to the world as his bachelor brother, the present ruler. He is of the studious type, somewhat retiring and reluctant to appear as public speaker. Lacking the genial quality of fellowship possessed by King Edward, the Duke of York is looked on by some as somewhat "high hat." His oldest daughter, Princess Elizabeth, 8, is next in line of ascent to the throne, followed by her sister, Princess Margaret Rose, born on Aug. 21, 1926.

general arrangements included Mrs. Merritt Hart, Mrs. Miriam Murry and Mrs. Richard Domaschofsky.

Holding high scores for contract were Mrs. A. L. Cleveland and C. L. Crider, and for "500" Mrs. Paul Ballman and Raleigh Middleton.

#### Shelvie Folks Move

HAZEL GREEN, Feb. 20.—Mr. and Mrs. Shelvie and Mrs. Shelvie's brother, Jack Yocum of West Salem, have moved to the house on Joseph Zelinski's farm vacated Friday by Mr. and Mrs. Orin Lowery and sons, Dean and Edward, who moved to Madera, Calif., where they will join Mrs. Lowery's father, George Wright. The Wrights resided here until last autumn.

#### Mills Gets Post

SCIO, Feb. 20.—Harold P. Mills, former Scio high school instructor, has been appointed as secretary of the prohibition state committee at Portland.

## STOMACH GAS SO BAD I COULD HARDLY BREATHE BEFORE I GOT VAN-TAGE

#### Great Formula Quickly Stopped Gas and Indigestion Pains and Cleaned the Sickening Bile from System and Now Popular Oregon Lady is Feeling Fine

MRS. G. A. FEREBEE, of Eugene, Oregon, who says of VAN-TAGE: "Here is one medicine that really helps a person. I gladly endorse it to all other poor sufferers."

Thousands of people in Salem and vicinity are now "singing the praises" of VAN-TAGE, which is the "Mixture of Nature's Medicines" now being introduced to crowds daily in this city by The Van-Tage Man in person at the Fred Meyer Trolley & Remedy Shop, 170 N. Liberty. Among these many men and women, none is more enthusiastic about Van-Tage than Mrs. G. A. Ferebee, of 1904 W. Seventh St., Eugene, Oregon. Mrs. Ferebee is a long-time resident of this vicinity. She is a member of the Christian Church and Macabbee Lodge and has hundreds of friends here and what she has to say about Van-Tage will be read with interest throughout this city and section. Read her statement through and through. Find out what Van-Tage can do. This remarkable testimonial reads as follows:

#### Awful Stomach Gas Nearly Shut Off Breath

"Most of my life I had been a victim of liver and stomach trouble," said Mrs. Ferebee. "In the last few years this suffering got very bad. My stomach was upset continually. My food caused terrible indigestion pains, gas and swelling. The bloating even extended up into my chest, which got tight and stuffy and I could hardly even breathe. Any little exertion would exhaust me and take my breath away. My liver was in a wretched condition. My system seemed full of old bile and I had terrible headaches and felt sick and worn out continually, and always got up in the morning as tired as when I went to bed. Seemed like there wasn't any energy left in my body.

#### Cleansed Sickening Bile Out of Her System

"Now, all this time, I kept trying medicine after medicine, but nothing helped me. I surely was discouraged. Then, recently, I heard about Van-Tage. It seemed to be doing so much for others that I made up my mind to try it, so I got it and started taking it. Will say that that was about the wisest decision I ever made, for this medicine was what I always needed. It acted on my stomach and worked away the gas and bloated and now I eat my

meals with a relish and no suffering afterward. Even that tight feeling in my chest and terrible shortness of breath is gone. It also has a great action on a person's liver, and it worked the old, poisonous bile right out of my system, and now the awful headaches are practically a thing of the past, and the sick, worn out feelings have vanished. In fact, I have more energy now than in years. Go to bed and sleep all night and get up in the morning feeling fresh and fine. Here is one medicine that really helps a person, and I gladly endorse it to all other poor suffering people."

#### Acts on Bowels, Stomach; Helps You in General

VAN-TAGE contains over 30 ingredients. It is like several medicines in one. So it helps you in GENERAL. Some of its herbs cleanse the bowels and clear gas and pain from the stomach. Others enliven the liver and relieve biliousness. "Muddy" complexion and sick headache. Still others invigorate the kidney action and stop backache and night rising. Another thing—due to immense volume in which it sells, the price of Van-Tage is reasonable. Despite its many ingredients, you can actually take this Amazing Formula for just a few cents per day. So don't hesitate. Get Van-Tage—NOW—and start taking it. THE VAN-TAGE Man is now here daily meeting crowds of people and introducing and explaining this Remarkable Compound.

### Lichty Selected As Contest Entry

#### Will Represent Silverton At Sectional Meet Here March 12

SILVERTON, Feb. 20.—Grover Lichty will represent Silverton in the sectional F.F.A. public speaking contest and will speak on "The Place of the Government in a National Land Program."

Mr. Lichty won his place when 22 of the 48 Smith-Hughes agricultural students of the Silverton high school and the junior high entered a local elimination contest. The Willamette valley sectional F.F.A. public speaking contest will be held at Salem on March 12.

#### Others Place High

The four highest speakers in the local contest were Don Ross, who spoke on "The History and Development of the Percheron Horse"; Maurice Benson on "Oregon Forests"; LeRoy Dawning on "Types of Credit Open to the Farmers," and Max Schlotzman on "Opportunities for a Rural Youth."

The local talks were prepared and given as a part of the agricultural students' practical class work.

Scoring basis allowed 20 points for content of speech, 40 on delivery and 40 on answers to questions by the judges.

### Portland Leaders At Linn Chamber

ALBANY, Feb. 20.—Albany, through the Chamber of Commerce, enjoyed a good visit from 22 Portland business men at the Wednesday luncheon of the local chamber. B. F. Irvine, editor of the Portland Journal, and who is a native Linn county son, was the chief speaker.

Mr. Irvine told of his early days spent in the little city of Scio, where he secured his earliest education and later taught in the Scio schools. Later he came to Albany where he was employed at the Southern Pacific railway station, leaving later to start work on a newspaper career.

In his talk, Mr. Irvine stressed the fact that Portland needed Albany and other state towns, just as the smaller towns and cities need Portland, the whole going to making out state the wonderful state it is.

Two other speakers of the Portland group were also former residents of the Portland Journal, Lang Senders & Co., and E. D. Ross, president of the Irwin-Hodson company.

J. C. Irvine, president of the Albany club, made the announcement that the club as a whole had been invited to witness the annual federal inspection of Battery A, 249th coast artillery, at the Albany armory next Tuesday night.

### Costume Helps

Miss Katharine Bragaw

An argument for the gavel going costume worn by Miss Katharine Bragaw of South Orange, N. J., was the score she turned in as one of the qualifiers for the annual Miami Biltmore women's amateur tourney.

### Tuberculin Tests Given For Pupils

ALBANY, Feb. 20.—Out of 200 children at Sweet Home, who were given tuberculin tests, 30 were found to be reactors, and these children were taken to the state tuberculosis hospital at Salem and given fluoroscopic and chest examinations by Dr. Robert Langmack, according to the report of Miss Juanita Johnston, county health nurse.

To date there have been 77 reactors found in the county among the children. Lebanon had 39 and Halsey eight. The ones from Halsey were taken to the hospital for fluoroscopic and chest examinations early in the month and the 39 from Lebanon were taken to Salem February 11 by Miss Johnston and Dr. R. B. Miller.

It was explained by the nurse that only a few active tuberculosis cases were found. Tests will be given at Brownsville on February 28.

### Eagles Auxiliary Has 51 Members

#### Visitors Assist With Rite For New Group at Silverton

SILVERTON, Feb. 20.—Fifty-one charter members of the auxiliary of the Fraternal Order of Eagles were instituted at the Eagle hall at Silverton Tuesday night with D. E. Hale, state organizer, assisted by officers from Portland, Salem and Gresham in charge.

Four drill teams, two from Portland, one from Gresham and one of Salem were also present. New Officers Named

### Funston Reaches 87th Anniversary

TURNER, Feb. 20.—T. B. Funston celebrated his 87th birthday anniversary Monday. He was born in Cook county, Ill., in 1849, and came to Marion county in 1871, where he has continuously lived except for eight years spent in Washington. He has one son, Scott Funston, of near Portland. He lives alone by choice on his small acreage two miles south of Turner, and cares for a few head of stock.

The light fall of snow, delighted the school children as usual. Owing to cold weather and a number of cases of illness, school attendance has been below normal the past week.

R. O. Witzel, who has had a second affliction with paralysis affecting his right arm, is slowly improving.

### Young Farmers Building Model House For Hogs To Exhibit at Salem

SILVERTON, Feb. 20.—Construction of a log house has been started in the Smith-Hughes farm shops. Odd pieces of lumber are being used.

The group plans to show the house at the state fair this autumn as a point in demonstrating economy in lumber usage.

### Founder's Day Is Honored, P. T. A.

STATTON, Feb. 20.—An exceptionally small attendance was at the regular P.T.A. meeting Monday night. During the business session, Frank Stupka reported that it has been decided to put up some partitions in the music room at the grade school, instead of screens, to provide a place for the band and rest room. The P.T.A. has already purchased a bed and blankets.

Superintendent Howard George suggested that in as much as the P.T.A. now had quite a sum of money on hand it could be used to advantage for books for the schools. A committee consisting of H. J. Rowe, Miss Lucy Norton, Miss Lovelle Shirley and Miss Kestro was appointed to look into the matter. The program chairman, Mrs. Ralph Curtis, presented a founder's day program. H. J. Rowe was the only one past president present. Mr. G. F. Korinek gave a history of the organization since it was rejuvenated here in the fall of 1924. A handsome cake decorated with candles was placed on the platform and Mr. Rowe, Mrs. Fred Berger, Mrs. C. E. Taylor and Frank Stupka, who have been members since the organization started, lighted the candles.

#### Newlyweds on Visit

CENTRAL HOWELL, Feb. 20.—Mr. and Mrs. Rudolph Finck of Detroit, Mich., were guests of his aunt, Mrs. C. Schubert, Thursday and Friday. The Fincks were recently married and plan to spend the remainder of the winter in Los Angeles. Mrs. Schubert had not seen her nephew for 18 years.

#### Girl to Hottingers

STATTON, Feb. 20.—Mr. and Mrs. Fred Hottinger are the parents of a 10-pound daughter, born Tuesday at their home. This is their second child and first girl.
