Industrials Lead in Quiet Upward Movement on Wall Street

Highs Reached But Sales Few

Steels Take Initiative on Forecasts of Increase in Mill Production

NEW YORK, March 2 .- (AP)-Industrial stocks led a quiet forward movement in today's mar-

A late upturn in the steels, following official estimates of an increase in current mill operations, was pleasing fodder for the bullish forces.

But farm implement, motor, sugar, mine and a wide assortment of specialties gave an exceptionally good account of themselves and many new five-year highs were recorded.

The only shadows were that trading was relatively dull and some buying was said to have indicated professional participation. The interest of the public was far from feverish.

Transfers totaled only 2,016,-320 shares, the smallest for a five-hour session since January 21. The Associated Press average of 60 stocks turned in a gain of .6 of a point at 62.1. The industrial composite stepped up .9 of a point to its best level since

Crop News on Wheat Bearish

Texas Panhandle Damage Small: Moisture Lack **Steadies Market**

CHICAGO, March 2-(AP)-Favorable advices about the United States winter crop prospect eased wheat values somewhat today.

In particular, notice was taken of Kansas reports that wheat fields are greening up rapidly. Other crop news included estimates that wheat damage in the Texas panhandle would not exceed 25 per cent, with probable yield of 35,000,000 bushels. From Springfield, Ill., came word a 250mile trip showed wheat was look-Closing quotations on wheat

were unstable, 1/4-1/2 under :aturday's finish, May 99 %-1.00, July 90 % - %, corn 1/4 - % off, May 60 % - %, oats 1/8 - 1/4 down, and provisions unchanged to 10 cents Warmer temperatures prevailed

throughout the entire domestic

grain belt, and the Liverpool market was lower than expected, so wheat tended downward from the Kansas Lacks Rain A steadying influence, however, was absence of moisture in important sections of domestic winter crop territory. For example,

Kansas dispatches told of places

where records showed but .02 of

an inch of rain in all of February, whereas the normal amount is 1.30 Explaining the weakness of Liverpool values was announcement that wheat afloat for importing countries showed an increase of week, compared both with the week previous and a year ago.

Inez Miller Out For School Post

MONMOUTH, March 2 .- Mrs. Inez Miller, Monmouth, Saturday filed her declaration of candidacy for the nomination of county school superintendent of Polk. Josiah Willis is incumbent. Mrs. Miller is at present assisting Dr. P. A. Parsons at Eugene, as coordinator on the state planning board. From 1918 to 1932 she was a member of the teaching staff of Oregon Normal school, and for five years of that time headed the school's staff of Oregon Normal school, and for five years of that time headed the school's rural department of education.

She came here from Douglas county where she had served many years as principal of rural high schools and rural grade schools. She is chairman of rural life work of the States Parent Teacher's association. Her slogan is: "A good school for every child, and every child in a good school.' In 1935 Mrs. Miller was vicepresident of the Townsend club of

Monmouth and addressed Townsend groups throughout Polk and in many adjacent counties. She was one of Monmouth's two delegates to the Townsend national convention at Chicago in October.
