Legion Auxiliary Hostess; Program, Supper Mark Event

SILVERTON, March 12.—The members of the American Legion Auxiliary were hostesses to the senior Girl Reserves Wednesday night at the armory club rooms. The guests presented an excellent program with the selection announcements made by Vera Heidenstrom in original rhyme.

The playlet, "The Persecuted Maiden", was also in poetry; a "child" quintet sang; Edna Krutz played a guitar number; Helen Lambert gave a reading, "Cornelia's Proposal", by Lampman; a girls' vocal quartet sang; June Baker and Julia Patton did a costume skit, "One Born Every Minute"; and June Bowman, president of the Girl Reserves, gave expression of gratitude to the hostesses and Mrs. Zanta Hutton as chairman of the sewing club entertainment committee, responded.

Dancing Enjoyed
The girls danced informally and sang group songs following the serving of supper. Advisers for the Reserves are Miss Marie Klev, Mrs. Paul Johnson, Mrs. Walter Morgan and Mrs. L. F. Tucker.

Members of the Reserves present were Vera Heidenstrom, Mary Alfred, Edna Krutz, Louise Specht, Janet Comstock, Jean Tomlinson, Margaret Swanson, Gerbet Down, Betty Francis, Olive Green, Elizabeth Newell, Hazel Olson, Josephine Spencer, Pauline Johnson, Clarine Reed, Mary Jane Nofsker, June Bowman, Helen Seeley, Julia Hutton, June Baker, Helen Lambert, Frances Higginbotham and Maxine Morgan.

Death Defeats Rescuers

When this photo was taken in a flooded street of Logansport, Ind., Mrs. Thomas Penn, 43, had just been swept away to her death out of the grasp of three helpless survivors, her father-in-law, John Penn, 77, prostrated with exhaustion on the ice; her son, John Cox, right, and Ralph Bargerhuff, left.

Frame Work Nearly Done For Gervais Buildings; Youths Debate Pension

GERVAIS, March 12.—This week will see the frame work up on both the Presbyterian church addition and the new home of Mr. and Mrs. Joseph Bonn and the church addition will probably be enclosed by the end of the week. Debate occupied a part of the afternoon at Gervais high school Friday when the subject, "Resolv-

ed, that the Townsend Old Age Revolving Pension Plan should be immediately enacted into Law," was discussed by six boys: Raymond Kuhn, Joe Henny and Raymond Jefferson for the affirmative and Roy Francis, Gael Cutsforth and Joe Pfau for the negative.

Three teachers, Mr. Gallegly, Mr. Tong and Miss Mannix, acted as judges and gave the decision to the negative by a 2 to 1 vote as they seemed better prepared. The debaters were given only two days to prepare.

Butler Is Elected Head of Chamber

INDEPENDENCE, March 12.—The chamber of commerce held a dinner meeting Tuesday night in the Presbyterian church. Dr. Maurice J. Butler was elected president again this year; Dr. George D. Herley, vice-president; K. L. Williams and E. E. Addi-

son as directors for two years and J. H. Hart as director for one year. Claire Tracy of Dallas and manager of the Oak Knoll golf course, presented Paul E. Robinson with the golf cup for winning the championship of the course in 1935. Mr. Robinson has won the cup two years. He must win it once more before he becomes the owner. The chamber organization in growing and attendance at meetings have been excellent.
