Pattern

By ANNE ADAMS Here's one of the first and loveliest of warm-weather sports frocks. See how simple its design? How utterly bright and right it is for any sport from playing tennis to driving a car. You can participate or merely spectate in this, or adapt it for porch and garden wear. Note the new shoulder-breath in those brief sleeves? They'll be grand and cool on blistering afternoons, as will the frock itself if you make it up in pique, peasant crash, shantung or washable sports silk. It's such an easy frock to make, too, that it might almost be called a "beginner's fashion," which of course means it's just play for the more experienced. Be sure to "garnish" with bright buttons! The Anne Adams Sewing Instructor is included with this pattern.

Pattern 2453 is available in sizes 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 takes 3 1/2 yards 36-inch fabric.

THIS NATURAL FOOD GENTLY REGULATES YOUR SYSTEM

Furnishes Needed "Bulk" for Regular Habits

Your doctor will tell you that keeping healthy depends far more on proper diet than on drugs, that common constipation is usually due to insufficient "bulk" in meals, and that patent medicines give you only temporary relief.

Kellogg's ALL-BRAN supplies gently acting "bulk" which corrects the cause of common constipation. This "bulk" takes up moisture, forming a soft mass which helps to cleanse the system.

ALL-BRAN gives your body the regular internal exercise it needs to prevent sluggishness. ALL-BRAN also furnishes vitamin B and iron.

Studies on normal men and women have shown that this delicious cereal is perfectly satisfactory. Serve ALL-BRAN regularly for regularity, with milk or cream—or use in cooking.

Two tablespoons daily are usually sufficient. Constipation grows if you do not gain relief this way. ALL-BRAN is much more effective than part-bran products. Get ALL-BRAN at your grocer's. Made by Kellogg in Battle Creek.
