Prune Met Meet Tonight, Dallas

DALLAS, March 26.—A mass meeting of Polk county prune growers is being scheduled for Friday night, at 8 p. m., at the Woodman hall in Dallas. The new marketing agreement proposed by the Oregon prune control board will be discussed and explained. The meeting is open to all prune growers and others who are interested.

Members of the Oregon prune control board will attend the Dallas meeting.
The Dallas grange, which meets on the same night, will hold its regular business session at 6 o'clock in order to be through by the time of the prune meeting. An invitation is extended to all grangers of the county to attend the Dallas grange meeting and remain for the prune meeting.

Celebration May Be Held July 4

SILVERTON, March 26.—The dignified quiet which has reigned at Silverton on July Fourth for many a long year, is at last to be broken if the rumblings about the city are interpreted correctly. Silverton businessmen and women will again make "whoopie" at home on the Fourth. In old times, it is being recalled, sometimes five, and even ten thousand visitors spent the Fourth at Silverton. This year, a similar celebration is being hoped for.

Strokers, banners and other street decorations which will have been set up for the Eagles' convention to be held here in June, will be left for the celebration, it is understood.

NOW WALKS WITHOUT A CANE--VAN-TAGE ROUTED AWFUL RHEUMATIC PAIN

Mr. Bert Gates, of Marcola, Was in Horrible Condition With Rheumatic Misery, Inactive Bowels—He Now Says: "I've Thrown My Cane Away. Bowels Are Regular, Van-Tage Was Worth Weight in Gold to Me!"

After 10 long years of horrible rheumatic pain and misery and terribly inactive bowels, Mr. Bert Gates, widely known resident of Marcola, Ore., Box No. 77, that city (near Salem), has at last found a certain source of relief in the Great Medicine, known as VAN-TAGE, which is now being introduced to crowds daily here in Salem by the Van-Tage Man in person at our distributors. Mr. Gates' testimonial is so amazing that it needs no preliminary introduction. What he has to say about VAN-TAGE proves the power of this Remarkable Compound far better than anything we could possibly print. So we will say only that Mr. Gates is one of Marcola's best-known residents, and a highly respected man, and will then pass on at once to his statement, which reads as follows:

G. J. MOSBY, Creator of Van-Tage. Mr. Mosby Created this Medicine 20 Years Ago to Relieve His Own Suffering. Since Then It Has Benefitted Over 20,000,000 People!

For 10 Long Years I Was in Absolute Misery
"For 10 years I suffered the most terrible rheumatic pain and misery that anybody could possibly imagine," said Mr. Gates. "I had this awful pain and misery all through the lower portion of my body, from my back and hips clear down to my feet. In fact, my legs almost seemed paralyzed. I could hardly move them without assistance. Couldn't walk up or down stairs. Had to give up driving my car. I could only walk at all with the greatest effort and with the use of a cane and after a few steps would get so dizzy that I would just stumble and stagger along. Of course, in such a condition, I had to lay off from work for months at a time. Would get down in bed, unable to walk at all. Was also in a horrible condition with my bowels, as they seemed 'dead' and paralyzed and would not act unless I took a strong physic every night."
Calls Van-Tage "God-Send to the Suffering"
"So you can see from what I have told you that my condition was terrible and the worst thing was that I couldn't get any help or relief, as all the medicines I tried failed me and I guess I was about the most discouraged man you could find. But, thanks to the Heavens Above, I finally found Van-Tage. This medicine is nothing short of a 'God-Send to the

Suffering. It's the greatest thing of the kind I EVER HEARD OF. From the first day I got better. Now I've taken Van-Tage for three weeks and the change is wonderful. It worked that awful rheumatic pain and misery out of me and my legs have limbered up and I can even walk up and down stairs without help. Two days ago I threw away my cane! I can walk without any assistance and I don't get dizzy or stagger like I used to. I work every day, in fact, haven't lost a day since I started taking Van-Tage. It also has a wonderful action on a person's bowels and they act better now THAN IN YEARS.
Unhesitatingly Endorses Van-Tage to All
"I say to everybody: 'This medicine is worth its weight in gold.' I unhesitatingly endorse Van-Tage and only hope that every man and woman in this section who suffers like I did will get it and take it, for if it will help a person as bad off as I was, then it will certainly help almost anybody else."
SUFFERERS! This Great Compound has benefitted over 20,000,000 people. There isn't anything like it anywhere. It is the ONE and ONLY. Its cost is reasonable, due to the immense volume in which it sells. So don't hesitate. Do as Mr. Gates advises above. Get Van-Tage—TODAY—and start taking it!
The Van-Tage Man is now at our Salem distributor daily meeting crowds of people and introducing and explaining this Remarkable Compound.
