

# Reconstruction of Lebanon High School Gymnasium is Started

## Swain Is Low Of 7 Bidders

### Teachers Elected For All Schools, With Few Changes Made

LEBANON, April 1.—Contract for the rebuilding of the high school gymnasium, recently destroyed by fire, was given March 30, to the lowest bidder, Charles L. Swain of Corvallis, for \$19,530.

There were seven bidders for the general contract ranging from \$24,547 to \$19,530. The next lowest bid was \$19,894 by the Parelius Construction company.

The lowest bid for the heating and plumbing was \$2,472 by Lord and Loryes. The electrical work was given to the Baughman Electric Shop for \$967.65. Work started today.

### Elect School Faculty

Teachers for the Lebanon schools have been elected. There are several changes in the grade schools but the high school teachers remain the same as this year.

The teachers and their positions are: Lester A. Wilcox, superintendent of schools; A. H. Pengra, principal of high school; Ted M. Ball, Smith-Hughes agriculture; Lawrence M. Bennett, English, public speaking, art; Kee Buchanan, English, typing; Charles Cheadle, social science; Reed L. Clark, mathematics, physical education; Elizabeth Kraus, home economics; Lena Medler, biological science; LaVera Moe, shorthand, typing, junior business; Irene Moore, English, music; Eloise Reed, mathematics, dean of girls; Robert Small, physical science; Edith Shanks, English, Latin; Vernon Wiscarson, bookkeeping, band, orchestra.

### Changes for Trades

The North school faculty: Albert Simons, principal and fifth and sixth grades; Mary McGowan, third and fourth grades; Mary Clem, first and second grades.

The Queen Anne faculty: Ernest Caldwell, principal, departmental seventh and eighth; Viola Fuller, departmental seventh and eighth; Helene Peterson, departmental seventh and eighth; Elizabeth Baker, sixth grade; Ruth Wright, fifth grade; Dan Oldham, fourth grade; Beuna Temple, third grade; Dorothy Joslin, second grade; and Melba Miller, first grade.

### Pioneer Seriously Ill

SCIO, April 1.—Word has been received by George Griffin of Scio from Ira Morris of Portland that Mrs. Rebecca (Aunt Becky) Morris was in a discouraging physical condition and that the result was in doubt. Aunt Becky celebrated her 93rd birthday at the home of her son last September. She was among the first settlers in the Scio section and has been queen of the Linn County Pioneers association since 1927.

Chaos and confusion reigned in the office of M. Paul Borchert, manager of the Roosevelt hotel in Pittsburgh, after floodwaters subsided, leaving furniture and fixtures wrecked and covered with mud.

## Strawberry Fair Dates June 6-7

### Largest Cake in World to Be Feature Again This Year

LEBANON, April 1.—June 6 and 7 are the dates set for the 27th annual Strawberry fair, reports Walter Alvin, chairman. J. C. Finkenbogen, chairman of the cake committee, said the largest strawberry cake in the world will again be a feature of the fair.

Larry Bennett, chairman of the queen committee, has started contacting all the high schools in Linn county to give the schools plenty of time to elect their candidates for the queen contest. "It's the Berries" will again be the slogan for the 27th fair.

The Woman's Civic club gave a benefit bridge dessert luncheon in its club rooms in the Mayer building Saturday afternoon. A total of \$25 was raised, the proceeds to go to the city library.

F. A. Sikes, teacher of the men's class in the Methodist Sunday school, has set a record for attendance, having been absent but twice in the past three years.

### Building New Home

Work has begun on a residence for Mr. and Mrs. J. C. Finkenbogen on Second street. It is to be 26x30 feet in size, one and a half story, with a full basement. Contract price is \$2,960. Grant Lindley and Oscar Grisham are the contractors.

## Grangers' News

DAYTON, April 1.—More than 150 members and friends attended the regular social meeting honoring those members of the Webfoot grange whose birthdays are in March at the Webfoot hall Saturday night. Six members of the Dayton Prairie community club gave three act comedy, "Under Contract". Between acts W. E. Grabenhorst sang a solo. Mrs. W. E. Johnson gave a reading, and instrumental music was by the grange. A Major Bowes program will feature the next business meeting.

LIBERTY, April 1.—At a special called meeting of the Red Hills grange it was voted to purchase the Charles Krauger store building for use as a grange hall. The grange will try to obtain a site near the store building and move the structure onto it. Failing in obtaining a close site the building will be moved to a site the grange has had in view for some time, which is the southeast corner, on the highway, of the Zosel property.

The grange will be able to move the building after 90 days when Krauger expects to vacate and move his stock into the new store he is building. Some changes will be made to adapt the building for grange use. It is planned to use the first floor for a dining hall and kitchen, the upper floor for holding meetings.

## Shower Is Given For Suver Woman

### Harry Kester Expects to Be Able to Return to Route Soon

SUVER, April 1.—Mrs. S. A. Benedict entertained with a shower honoring Mrs. Ralph Kester, at her home Saturday afternoon. About 20 women enjoyed the event.

Marilyn Coney fell and broke his arm at the elbow just as he was leaving school late Thursday. He was taken to the late Albany hospital but is home now.

Mr. and Mrs. Donald Bolter and Mr. and Mrs. Edwin Larsen drove to Portland Sunday to see Jack, son of Mr. and Mrs. Bolter, who is in the Shrine hospital there. He underwent an operation on his arm Monday.

Harry Kester, formerly mail carrier here for many years, was thrown from a trailer and badly hurt recently. He is improving rapidly and expects to be able to carry the mail on his route out of Monmouth soon.

Mr. and Mrs. H. F. Corey accompanied by Mr. and Mrs. J. A. Coney, of Shedd, attended funeral services held at Scio Sunday afternoon for J. A. Coney's cousin, John Coney, who died at Salem, March 20.

## Converting Store Building to Hall

AIRLIE, April 1.—Work on the old store building of W. E. Williams is progressing nicely and it will soon be ready for use as a community hall. All partitions will be removed making one big room. A chimney is being made and a floor laid. A piano was purchased recently.

Guests of Mr. and Mrs. Sam Hastings this week are Mr. and Mrs. Russel Ostrander and daughter, Marjorie, of Bremerton, who came Saturday to spend a week.

Mr. and Mrs. Lawrence Davis and family of Yamhill spent Sunday with them.

Mrs. Hannish has returned home from a two-weeks visit in California.

### Lester Martin Residence Scene of Women's Meet

ELLENDALE, April 1.—The regular semi-monthly meeting of the Woman's club met at the home of Mrs. Lester Martin with these members present: Mrs. Frank Hobson, Mrs. L. S. Fiflet, Mrs. Tintal, Mrs. A. McFetridge, and Helen, Mrs. Della Hays, Mrs. Mevlin Cutler, Mrs. Anna Brown, Mrs. John Martin and Mrs. Forest Martin. A social hour followed.

# NEW CAR THIS SPRING?

# Monthly PAYMENTS TO SUIT YOUR PURSE!

## WHEN YOU BUY A GENERAL MOTORS CAR

The General Motors Instalment Plan enables dealers in General Motors cars to arrange the monthly payments best suited to your circumstances and the car you buy—whether the payments are \$15, \$20, \$25, or any other amount per month.

Seldom are two instalment buyers in the same financial circumstances. They differ in the amounts they can pay down—and they differ also in their ability to pay comfortably certain amounts per month.

If you agree to pay more per month than you can afford, your car may become a burden and not a pleasure. If you pay less per month than you can comfortably afford, you pay too much for a financing service you do not need.

Therefore, the most satisfactory and economical plan on which to buy a car on instalments is the plan which exactly suits your individual requirements. This is the General Motors Instalment Plan.

It is easy to figure yourself what the costs of various payment terms are—at 1/2 of 1% of the original balance per month—for example, 6% for 12 months. And it will pay you to compare costs on this plan with other plans. When you do, be sure to include equally complete insurance protection.

Under the General Motors Instalment Plan you receive a policy in General Exchange Insurance Corporation, protecting your new car against Fire, Theft, and Accidental Damage—including Collision.

Dealers in General Motors cars will be glad to show you how easily this plan can be made to fit your needs—and your purse.

# 9 ELECTRIC RANGES FREE

Total Value Over \$1200

Like the modern office, the modern kitchen is equipped with automatic electrical time-saving devices. Most important of these is the electric range. It cooks healthful meals while you are away from home and saves hours of scouring and scrubbing because it is so much cleaner. A real economy too, because its controlled temperatures help preserve the vitamins and minerals in the foods you cook. Food is only valuable as these vital elements are preserved in cooking.

### Here are FACTS that will help you WIN

Only a few more days and you'll be too late to have an opportunity to win a fine new up-to-date electric range. Get busy right now—read over the following list of facts about electric ranges. Then just tell in your own words "Why an Electric Range is the Heart of the Modern Kitchen." Limit your statement to 50 words or less. That's all there is to it. BUT BE SURE TO READ THESE FACTS BEFORE YOU START WRITING!

Electric cooking offers 3 major advantages over other methods. It is more CONVENIENT, more HEALTHFUL, and more ECONOMICAL. Here, briefly, is what each of these advantages include:

CONVENIENT—Electric cooking provides more leisure, because it is automatic. In dependence—it is clean. Electric cooking is simple—even a child can cook by this method with perfect results.

HEALTHFUL—Electric cooking is controlled cooking—it retains healthful vitamins and minerals in vegetables and other foods. Roasts shrink less when cooked electrically—containing their natural juices and flavor.

ECONOMY—Electric range operating costs that are as low or lower than most other methods of cooking are made even lower by savings through greater cleanliness. Also, important savings are created by electric cooking's ability to retain more of the natural food value in foods that are cooked—and through less shrinkage in meats.

As Any Electric Range Dealer For More Information About Electric Cooking

Just write a simple statement of not more than 50 words telling why an electric range is the heart of the modern kitchen. Any one may enter this contest except range salesman or dealers having electric ranges for sale. Make as many entries as you wish, but each must be accompanied by an entry coupon such as printed at the bottom of this advertisement. Entries must be submitted to Peeco at any more telling electric ranges (those received by mail will be disqualified). Judging will be based on accuracy and clarity of your 50-word statement.

### WINNER'S CHOICE

Below is a list of the ranges which will be given free to winners in this easy contest. Winner of first prize will have his or her choice of any one range on this list. Winner of second prize will have choice of the remaining eight ranges, etc. Here are the prizes:
