

# Construction to Start Soon on New Hospital for Silvertown

## First Unit to Cost \$20,000

Site of Present Building Likely to Be Used For Structure

SILVERTOWN, April 3.—Work on the first unit of a new hospital will get underway as soon as plans now in the making are complete, according to George W. Steelhammer, chairman of the board of directors of the Silvertown hospital association.

Plans call for a one-floor building, the first unit of which will cost approximately \$20,000. The present location of the old hospital will likely be used, say board members. For a time after the new hospital is completed, the old building will likely be used for nurses' quarters and kitchen, Mr. Steelhammer said.

The new unit will accommodate 25 beds, a surgery and operative rooms, a maternity ward and X-ray rooms. Sound-proof walls are part of the plan.

K. A. Roldal of Roldal and Schneider, Portland, has been retained as architect, and was at Silvertown Friday consulting board members on plans. Every effort, said Mr. Roldal, is being made to make the new hospital as modern and convenient as a hospital can be. While there are no medical men on the board, doctors are being consulted.

No definite decision has been reached as to the material. Wood, brick and concrete are all being considered.

Serving with Mr. Steelhammer on the board are E. S. Porter, M. G. Gunderson, George Hubbs, John J. Moe and Dr. A. W. Simmons.

## Red Cross Takes Lead in Flood Emergency

With the first call for aid, the resources of the American Red Cross were thrown into the struggle against misery as thousands were rendered helpless by the raging flood waters. The many-sided attack launched by the Red Cross against further misery—serum to prevent epidemic, clothing and boots for the volunteer workers already on the scene, transports to aid the fleeing flood victims,

and most of all, trained nurses to administer to the sick and ailing, were of inestimable value. Back of it all is the work of the flood control and relief board, consisting of Gen. M. Craig, chief of staff, United States army; Dr. Cary T. Grayson, chairman of the American Red Cross; Admiral Adolphus Andrews, acting secretary of the navy; George H. Dern, secretary of war.

## Scio to Improve Old Water Mains

Council Hopes to Replace Them With Cast Iron Pipes

SCIO, April 3.—Action looking toward replacement of city water mains in Scio was taken by the city council Thursday. A. L. Plummer, head of the fire, light and water committee, was instructed to obtain price estimates for both wood and cast iron mains. Present wooden mains have been in use about 30 years, and are in bad repair. Several council members favor installation of cast iron mains with cement couplings, as being more durable, and ultimately cheaper.

An 8-inch cast iron main now in use from the city drilled well about 200 feet west, where it joins the wooden main. Proposed new mains will include an 8-inch main from the well west to the corner of Main and Mill street, thence a 6-inch main west to the school building, a total distance of approximately 700 feet.

The council decided to improve West Mill street to the city limits and east Third street to the city limits, with minor improvements to other streets as funds permit. Oiling and complete surfacing of the streets will be started as soon as the weather improves. A fund of more than \$1000 is available in the city budget. Property owners will not be requested to share the cost of improvements, as in previous years.

A resolution to permit the Scio Mill & Elevator company to construct a 34 by 100 metal-covered building on the corner of Main and Mill streets, the old hotel site, was adopted.

City Recorder O. B. Cyrus was instructed to petition the state highway commission to put in a street button and caution sign at the corner of Water and South Main streets.

## Church Improves

SILVERTOWN, April 3.—At the monthly business meeting of the Christian Endeavor of the First Christian church, the members reported on the new piano and circulating heater which they had recently purchased for the church basement. Edna Plant is president; Bertrice Gay, secretary; Carl Schuster as treasurer; Rita Rahn as advisor.

## Takes Hospital Post

SILVERTOWN, April 3.—Miss Fern Peterson, who recently arrived here from Willmar, Minn., to make her home, has accepted a position at the Silvertown hospital. Miss Peterson is a cousin of Mrs. Ernest O. Larson, whose husband, Rev. Larson, is pastor of Calvary church.

## Moves Offices

SILVERTOWN, April 3.—Dr. A. J. McCannel, who has had his offices in the Inman building since coming here several years ago, has this week moved to the Olson building where he will occupy the three front rooms.

## School Stages Loud Sock Day

Students Changing Annual Fun Jubilee to All Fools Frolic

MILL CITY, April 3.—The long looked for "loud sock day" was celebrated at the high school Wednesday. This has been an annual custom here for 13 years. After much discussion a new name was chosen by the student body and it will now be called "All Fools Frolic." The students paraded the streets, after which they put on their stunts. Prizes were awarded:

Best for effect and character, first to Wardine Forest as the dragon lady; second, Barbara Allen as Japanese geisha girl; boys, first, Frank Merrill as a robot and second, Orval Horner, a Scotchman. Funniest girls: Beatrice Jensen as "an old man" and Nancy Jane Fround as old fashioned lady; boys: Frances Reed, harlequin; the best class stunt, a mock wedding by the sophomore class.

Faculty Participates  
The song contest which consisted of foolish songs written by different students was not judged at this time, on account of lack of practice. A lunch was served at noon to all the students and faculty after which the prizes were awarded. The faculty then put on an original sketch "Topsy Turvy Dumb." Music for the afternoon was furnished by the "Harlem Minstrels," Dwight Catherwood, Hollis Wood, John Seim, Rudolph Rada.

After the program the time was spent in cleaning and dragging the ball ground and gathering stones for an outdoor fireplace which the students will build as soon as the weather permits.

200 at OARP Meet  
The Townsend club met Wednesday night in the city hall with about 200 attending including members from Lyons, Aumsville and Salem. The program included vocal solo by George Thomas; song by J. H. Merryman of Salem; piano solos by Edgar Howe of Mill City and Miss Neva Ham of Aumsville; addresses by Curtis D. Stringer of Lebanon, Sheriff A. C. Burk of Salem, A. M. Dalrymple of Salem and Judge John Jeffrey of Portland. The next meeting is April 16.

Mill City friends were grieved to hear of the death of Roy Wales in Albany Monday. He formerly lived near Lyons and was employed in the Hammond Lumber company mill. Beside his wife he leaves a daughter, Mrs. Fred Craven, who recently moved from Mill City to Marcola, and two sons.
