

### Old Blackbird Inn To Become Garage

RICKREALL, April 16—Work remodeling the interior of the old Blackbird inn, into an up-to-date garage was begun Monday by Ora Lantz. Richard Grolbert has leased the building from the Masonic lodge, occupants of the upstairs.

Mr. and Mrs. Gus Schilleker were hosts for an Easter party at their farm home "Derry Orchards" Saturday afternoon, with the freshmen and sophomores of the local high school and their adviser, Miss Mildred Baker, as guests.

Easter Sunday, the home of Mrs. I. A. Dempsey was the scene

of a large gathering when her three children, Mrs. A. G. Adams, H. A. Dempsey, L. J. Dempsey and their families were present. Mr. and Mrs. Overland of Dallas, Mrs. Fannie Bell Guthrie of Monmouth were special guests.

### Eastern Star Homecoming Well Attended, Silvertown

SILVERTON, April 16—Almost all Eastern Stars and their families attended the homecoming held at the hall Tuesday night. A 6:30 supper preceded the regular chapter meeting. Mrs. George Hubbs spoke giving a brief history of the local chapter. Visitors were present from Molalla and the regular lodge session was followed by cards.

### Silvertown Chamber on Record For Improvement to Road Via Mt. Angel; Captain Lansing Talks on Police

SILVERTON, April 16—Roads and road improvement occupied considerable of the discussion period of the Silvertown chamber of commerce at its April meeting held Wednesday night at Toney's and presided over by the president, Mrs. J. C. Schlador.

M. G. Gunderson and Mrs. Schlador reported that there had been some misunderstanding through an unauthorized report that Silvertown was not interested in the Woodburn-Mt. Angel-Silvertown road. The Silvertown chamber of commerce went on record that it was very much interested in this road and assured Mt. Angel that Silvertown would do everything possible to cooperate in obtaining road improvement. Mr. Gunderson pointed out that it was not only the railroad that correct the curves on this road but also to do something about the condition of the surface of the straight-of-way.

The matter was brought up of having curve signs placed on both sides of the railroad track near the Tokstad service station as several accidents had occurred there by people unfamiliar with the road.

Improve Falls Road

George Hubbs reported that work on the Silver Falls road was progressing very rapidly. Four inches of top dressing had been put on and otting would begin by June 1, or even May 1, if the warm weather continues. It was also reported that surveys of cutting corners had been made on the Mount road and that work here would get underway in the very near future.

R. J. Baldwin, chairman of the Eagles convention, reported that progress for this was going ahead rapidly and that Mt. Angel and Woodburn were cooperating 100 per cent. Mr. Baldwin also reported that plans were being made for one of the biggest oldtime Fourth of July celebrations held for many years.

Silvertown also promised some support in the housing for the Future Farmers of America convention to be held at Mt. Angel May 19, 20 and 21.

Lights Not Possible

One disappointment was taken by members Wednesday night, when R. B. Duncan reported that the strings of lights which the chamber had hoped to obtain before the Eagle convention, could not be had at this time. All funds voted for the lighting of Silvertown are in use, Mr. Duncan reported, and any other additions would have to come through voting at a regular election. Maintenance of the proposed lighting additions would be approximately \$50 a month.

P. S. Rose announced that the time of the annual drive for Boy Scout funds was at hand and asked the support of the chamber. Mrs. Schlador suggested that not only the business men be canvassed but the residence district as well. Mrs. Schlador will appoint a committee to assist Mr. Rose in soliciting funds. The Silvertown group will also furnish a puncheon for the Spring J. C. F. show to be held at Salem May 23. It was explained that other communities were also doing this. Earl J. Adams reported on the greater Willamette Valley asso-
