Plymouth is Priced so Low

... and it's built to Stand Up

"PLYMOUTH can take it!" owners say. It's built to stand up... with long-life features that no other low-priced car offers today. Advanced engineering and expert workmanship build into Plymouth its famous ability to perform brilliantly for tens of thousands of trouble-free miles. With its Safety-Steel body and 100% Hydraulic Brakes, Plymouth is the safest low-priced car. With owners reporting 18 to 24 miles per gallon of gas it's America's most economical full size car.

Compare Plymouth delivered prices with those of the "other two" low priced cars. Come in—find out how little it really costs to own a Plymouth.

Soil Conservation Meet Slated Friday at City Hall

MONMOUTH, April 21.—C. C. Mulkey, Monmouth, was notified today from the United States postal headquarters, that his business building situated in the middle of the block in which the local postoffice is now located, is to be the new postoffice building.

For more than 25 years the postoffice has been in its present location at corner of Main and Warren streets, but in recent months the federal postal department has decreed that newer and larger quarters be obtained.

The Mulkey building is new and commodious. It is said that all new boxes and other equipment will be installed, and the office will be moved as soon as required alterations can be made, and the new equipment installed.

A committee will be elected by the attending farmers to better further the program. It is a national farm program and must be put into effect rapidly if farmers are to obtain cash benefits this year.

Young People's Club At Sublimity to Give Another Play Shortly

SUBLIMITY, April 21.—The play, "Little Miss Jack," presented by the Young People's club, was a success with a full house afternoon and evening Sunday. The next play presented by them, "Smiling Bill," will be given in about three weeks at the Forester hall.

Mr. and Mrs. John Frosil of Banks are visiting at the Edward Benedict, the Jos. Rohlf and the N. Kremer homes for a few days.

Community Clubs

MACLEAY, April 21.—Dr. David Bennett Hill will show pictures and lecture at the community club meeting to be held at the schoolhouse Friday night.

Films to be shown are "The Life of a Healthy Child," "Oregon, the Sportsman's Paradise" and travel pictures and an animal "funny" for the children. Mr. and Mrs. Ed Tooker, Mrs. L. McGee, Mrs. Dave Hackett and Mrs. C. F. Strawn will serve lunch.

HAYESVILLE, April 21.—At the oyster supper sponsored by the community club Friday night the club benefitted by \$4.05. A food sale following netted \$3.70 more.

Dave Willis, W. Powers and Paul Fubur were appointed as nominating committee. Albert Stetler, E. L. Moor and J. W. Kennedy will make arrangements for the purchase of a stove for the school kitchen which the community club and Woman's club are sponsoring.

At the close of the business session this program which finished the requirements needed to make the club standard, was given: Political talk by Herman Brown; community singing lead by Mrs. J. W. Kennedy; "Present Problems Before the People" by E. L. Moor; trio by Mary Pervis, Mrs. J. W. Kennedy and Alma Willis; debate on 100-foot right-of-way on all main highways by Frank Fitts and Vernon Clark, and E. L. Moor and A. Lengrin, the latter winning for the negative; music by the Bressler brothers.

SUNNYSIDE, April 21.—It is hoped there will be a big crowd at the Sunnyside community club Friday night as an excellent program has been prepared. There will be readings, skits and lively music. Mrs. D. B. Taylor is chairman of the committee.

BETHEL, April 21.—The community club will meet Friday night. The refreshment committee, Mrs. John Kirscher, Mrs. A. H. Fuestman, Mrs. A. L. Schulz, ask that each family bring a cake. Everyone welcome.
