Pattern

By ANNE ADAMS

Why not turn dressmaker for a few hours some afternoon soon and make this captivating sports frock to brighten up your summer wardrobe? There's plenty of variety allowed for in the pattern, too. If you don't care for puff sleeves, they are equally attractive in the straight "Shirtmaker" fashion and if the cunning little revers are not exactly to your taste, just button them all the way up and you have a very striking square neckline trimmed with a plain collar. Two kick pleats in the skirt allow for action. Choose a printed cotton, or shirting and top it off with bright nobby buttons. Or if you prefer a solid color, plain pique or linen would be effective.

Pattern 1007 is available in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, 30 and 32. Size 16 takes 3 1/2 yards 36 inch fabric. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state which New Anne Adams Pattern Book and learn how easily you can make a smart summer wardrobe that's just your style! The latest frocks, suits, blouses, beach and vacation clothes, bridal outfits. Lovely clothes for children. Smart styles for sports. And a full picture-story of summer fabrics and accessories. Price of Book Fifteen cents, Book and Pattern together, twenty-five cents.
