Scout Camp-o-ree Is Notable Event

Lebanon People Take Big Interest in Outdoor Program of Boys

LEBANON, May 19 — The people of Lebanon were given the opportunity to see a bit of the outdoor program carried on by the Boy Scouts when the Cascade area council, including troops of Linn, Marion and Polk counties held a camp-o-ree in Lebanon over the weekend.

Two hundred scouts arrived at 4:30 Friday afternoon and set up 25 comfortable patrol camps immediately, even though the equipment for each scout was confined to an amount which had to be carried on his back. Setting up of camp was accompanied by a downpour of rain. In spite of wet weather, each patrol was comfortable and dry under pup tents and canvas shelters within a few minutes. At 5 p. m. the south half of the Queen Anne school campus had become a tent city.

Camp Fire at Night

The many patrols formed a large circle around the great camp fire. Mayor Munyan gave an appropriate talk and presented the keys of the city of Lebanon to the patrol leaders whose troop was first to complete setting up of camp.

Saturday was given over to outdoor and camping contests. James Monroe, chief executive officer of the Cascade area council, had charge of all activities. Sunday morning all scouts attended church, each scout visiting the church he preferred to attend. Awards were given in the afternoon.

All who visited the campus after the troops had gone remarked about the fine appearance of the grounds which had so recently been such a busy place. No trace remained of any such encampment. Everything was in excellent condition. The scouts had proven that "A good camper leaves a good camp."

Quilt Show Held, Church Basement

AMITY, May 19 — The Sisterhood of the Christian church held a quilt show and social afternoon night Friday in the church basement. Forty-one quilts were on exhibit.

Those receiving blue ribbons were, Mrs. E. E. Shields, best pieced quilt; Mrs. Soren Sorenson, prettiest appliqued quilt; Mrs. Katie Weston, oldest quilt, 50 years old; Mrs. Merle Williams, best quilting on quilt; Mrs. Anna Howard, most popular quilt; Mrs. Katie Weston, prettiest worsted quilt; Mrs. Elwood Cooper, prettiest child's quilt.

The judges were Mrs. F. F. Smith and Mrs. Hattie Percy of McMinnville and Mrs. Robert Leighton of Yamhill.

The proceeds from this exhibit will be used to buy new song books for the church to be used during the two weeks' revival campaign which will start June 7.

SALEM HEIGHTS, May 19 — The community club will hold its regular meeting at the community hall Wednesday at 8 p. m. Mrs. C. W. Spring Festival Is Celebrated by 700 Japanese and American Friends In Beautiful Setting, Lake Labish

By FLORENCE MATTHESS
LAKE LABISH, May 19 — Like a leaf from old Japan—rather new Japan—was the splendid Japanese picnic held here Sunday. A crowd estimated at 700 made merry from morning until eve. Among those present were dozens of American friends to help celebrate the Spring Festival of games, refreshments and social merrymaking.

A charming spot beside a shining stream with tender green of young oak leaves was the setting for this gathering.

A certain polite atmosphere prevailed the big crowd. The younger men and maidens spoke invariably in English. All laughed in English.

The dainty pastel-colored dresses of the young women made a charming scene against the backgrounds of oaks and living water. American flags and Japanese flags hobbled together.

American friends and Japanese friends strolled together.

Serve Rice Rolls

Among the dainties served at the picnic lunch were choice sandwiches of various kinds, wienies, shrimps, jello in sticks, delightful in look and taste, rice rolls whose hearts contained celery, eel, egg, red ginger and preserved spinach. These rolls are now carefully encased in thin, brown sea-weed, imparting a haunting fragrance as of some taste long forgotten in some other earth life, as Theosophists say; fried shrimp cooked with wine and spice; bamboo sprouts, tender and fragrant!

Many and picturesque were the races, especially the Japanese lantern race. The tug-of-war was for everybody from 4 to 90 and was the hit of the day.

They Made It Successful

These gentlemen were responsible for the smooth running of this mammoth picnic: T. Tamiyasu, M. Kawata, R. Fukai.

WHOLE SYSTEM POISONED, SAYS SALEM MAN...FINDS RELIEF WITH VAN-TAGE

Mr. Leo Rund, of S. 13th St., Calls Amazing New Medicine a "Miracle"—Was So Sick and Run-down He Never Expected to Be Out of Bed Again—Tells How Van-Tage Relieved His Suffering.

Remarkable Statements, from all over Salem and vicinity, praising and endorsing VAN-TAGE, continue to pour in daily to where this "Amazing Mixture of Nature's Roots and Herbs and Other Splendid Ingredients" is being introduced and explained to the local public by a Special Van-Tage Representative, known as The VAN-TAGE Man, in person.

For instance, just a few days ago the following statement was received from Mr. Leo Rund, of 1819 S. 13th St. Mr. Rund, who is a widely-known and highly respected resident of Salem, had just about given up hope of finding any medicine that would help him. His suffering was so severe that he thought he would never be able to get around again. Then VAN-TAGE gave him blessed relief! Every suffering person will read Mr. Rund's statement with interest. This truthful statement describes the action of this Great Compound on the ailing Human System, so read it, through and through, and see what Van-Tage CAN DO!

Drove Out Poisons; Ended Awful Stomach Misery

"The first thing I want to say in this statement of mine is that it is the truth and I will verify it to ANYBODY," said Mr. Rund. "I have been very sick ever since last August. My system just seemed to be FULL of poisons. Had all my teeth taken out, but that didn't help me—just kept getting worse. It seemed like everything was the matter with me. Was always sick at my stomach. Nothing would lay in my stomach, but would come right up when I tried to eat. Had no appetite at all and just kept losing weight until I was in a terrible rundown state of health. I was so sick I didn't think I would ever get out of bed again—just thought I would die. "I kept hearing about Van-Tage, so I decided to give it a trial. I got two bottles of this
