Guests at the R. F. Grobner home Sunday were Mr. and Mrs. Frank Grobner, Mr. and Mrs. S. L. Landess and daughter, Mr. and Mrs. Ed Walker and family, all of Portland.

Parochial Pupils To Give Program

STAYTON, May 20.—The pupils of St. Mary's parochial school at Stayton will have their closing program and graduation exercises Monday night, May 25, at the school hall. Also, the primary children will re-enact the old story of the "Queen of Hearts."
After the program, these eighth grade graduates will receive their diplomas: Rosella Bell, Rita Lindemann, Maxine Minten, Lawrence Walz, Vincent Pietrok and Robert Myers.
A small admission will be charged, the proceeds to augment a fund the Sisters of St. Mary are raising to defray the expense of a new chapel being erected at their mother house at Beaverton.

Hadley Is New President And Bingenheimer Scribe For Oregon Feed Dealers

PLEASANTDALE, May 20.—Howard Hadley, manager of the Imperial Seed and Grain company of Hillsboro, was elected president of the Oregon Feed Dealers' association at the annual meeting of the new board of directors held recently in Portland. Mr. Hadley is a former Pleasantdale resident and for a time worked at the Fisher flour mills at Silverton, before going to Hillsboro.
E. S. Bingenheimer, manager of the Irish-Bing cash store in Salem, was elected vice-president, succeeding Walter Barkus, also of Salem; Roy Adams of the Crown mills of Portland, re-elected secretary-treasurer.

Ethiopia Conquest Complete

Now that the African campaign is virtually over and Italy is in control of the entire Ethiopian territory, the question arises as to whether the newly acquired colony can be made successful commercially. One of the major problems which Mussolini faces in developing the section is that of financing. The campaign was extremely expensive, gold reserves dwindled, and Italy must raise huge sums for irrigation projects and other improvements before even the most fertile sections can be made profitable for farming. The climate is another adverse factor since the intense heat makes it impossible for other than natives to subsist in many sections. Much has been said of the mineral and oil resources of Ethiopia, but the value of these has yet to be determined. In one sense, Italy's conquest of Ethiopia has only begun. Only the future will determine whether the Roman legions will succeed.

Scio Fat Lamb Exhibit Ready

Shearing and Calling to Bring Forth Best in Contests

SCIO, May 20.—Sheep as well as hogs will respond to a soothing voice, Scio wool men affirm, and they are willing to prove it in a unique sheep-calling contest to be a feature of Scio's second annual fat lamb show, Saturday, May 23.

Allotments from the Linn county court and donations from Scio business men total \$90 in prizes for Linn county exhibitors at the show. Lamb exhibits are divided into six classes, the first three to be open to all Linn county exhibitors, and the remaining three only to 4-C club members. Judges of the lamb exhibits will be Harry Lingren, Oregon State college, Corvallis; R. L. Clarke, Portland; and F. C. Mullen, Linn county agent.

Prizes in 6 Classes
Class A will offer four prizes, \$8.50, \$6.50, \$4.00 and \$2.00, respectively, for the best pen of three lambs.
Class B will comprise pens for the best single lamb. Prizes of \$6.00, \$4.00, \$3.00 and \$2.00 will be awarded to the four lambs judged the best in the class.
First prize of \$4.00 and second of \$2.00 will be offered for the best buck lamb in class C.
Prizes totaling \$36 are offered to boy and girl members of Linn county 4-H clubs showing superior stock. Class D, for the best pen of three lambs, offers \$7.00, \$5.00, \$4.00 and \$3.00, respectively, for the groups judged the four best.
Club members exhibiting their best single lambs will compete for four prizes of \$4.00, \$3.00, \$2.00 and \$1.00.
Class F, an innovation of this year's show, will offer three prizes, \$4.00, \$2.00 and \$1.00, to club members exhibiting the best bottle-fed lambs.

Shearers to Contest
Interest is running high among local shearers in the contest offering \$5.00 as first prize, \$3.00 as second, \$2.00 third, and \$1.00 fourth. Shearing machinery will be lent for the occasion by Clyde Rodgers of Scio. Each man will be required to furnish his own knives and cutters. The contest will be judged for efficiency as well as speed.
Al Stevenson, Corvallis, will auction the prize lambs following the judging.

Only \$730 — and winning fame as the smoothest EIGHT in the world

For thrills, thrift and smartness—
no EIGHT on earth like the new Pontiac

EXPERTS call Pontiac the smoothest eight in the world. And here's why: Pontiac's extra-heavy, short-stroke crankshaft is buttressed by overlapping bearings. The harmonic balancer, introduced by Pontiac, works miracles. And all moving parts are balanced with incredible precision. The result is something new in eight-cylinder history—an engine with no vibration point at any speed!

That's genuine fine-car engineering and it's matched by everything else in the car. You can't get better brakes than Pontiac's big hydraulics. The solid steel "Turret-Top" Bodies are the safest money can buy. And this big eight has delivered, under official supervision, 22 miles per gallon. Look around before you buy your eight. Get all the facts. You'll come back to Pontiac convinced that it's the best buy of them all!

*List prices at Pontiac, Mich., begin at \$615 for the Six and \$730 for the Eight (subject to change without notice). Safety plate glass standard on De Luxe Six and Eight. Standard group of accessories extra. Monthly payments to suit your purse on General Motors Installment Plan. A General Motors Value.
