Enley Answers—Merle Enley, answering divorce suit brought by Thelma Enley, states that he believes it is not to the best interests of their children that they remain in custody of the maternal grandparents, but rather they should be awarded to custody of the plaintiff with the defendant given right to visit them. Plaintiff in her complaint also asks an interest of \$300 in judgment for Merle Enley against the Southern Pacific, Phil Ruth, to whom the \$735 damages awarded Enley in the other case have been assigned, also filed answer in the case, saying \$350 of the money was paid to him and George Rhoten and that the balance is on deposit with the county clerk for benefit of Enley's creditors.

Miss Long Speaks—Chapel speaker at Willamette university yesterday was Miss H. H. C. Long, state librarian, who gave a talk on the reading courses now being offered by the state library. Winners of the library reading contest were announced by Dr. James Milligan as follows: Margaret Taylor of Castle Rock, Wash., 48 freshman prize; Margaret Dooge, junior from Salem, first prize of \$10 in the division for all students except freshmen; Una Lee, sophomore from Silverton, second prize of \$7.

I extend my sincere appreciation to the people of Salem and Marion county for their support in my successful campaign for the democratic nomination as county recorder. Hattie G. Hart, Gervais.

Judges are Assigned—Four circuit judge assignments were announced Thursday by Chief Justice Campbell of the state supreme court. Judge James W. Crawford, Multnomah county, was assigned to hold court at Roseburg and Oregon City, beginning at the former city May 25. Judge Earl LaTourrette, Oregon City, was assigned to Multnomah county, and Judge R. Frank Peters, Washington county, to Yamhill county. Judge Carl Hendricks of Fossil will go to Multnomah county.

"Foreign" Cars Pay—Non-resident automobile operators paid more than \$750,000 in gasoline taxes in Oregon last year, Secretary of State Small reported Thursday to Governor Martin. It was expected that this figure would be increased to a million dollars in 1936. The latter estimate was based on the 16 per cent increase in non-resident motor vehicle registrations in Oregon during the first four months of this year.

Contest Laws Vary—Officials said Thursday there apparently was a conflict in the Oregon laws as to the limitation of time for a defeated candidate for office to ask a recount of the votes. Under one statute the time for asking a recount of votes at the recent primary election expired Wednesday night or five days after the election. Under another statute there appears a possibility of asking a recount within five days after the successful candidate has received his certificate of nomination.

Sign Contract—The members of the Marion county court have signed and forwarded to the Yamhill county court the formal contract for operation of a free ferry at West Salem on a 50-50 basis between the two counties. It is expected construction of the new ferry will get under way in another week. The contract sets forth that \$300 will be paid for the present ferry boat, cable and other equipment. This boat has been operated as a toll crossing for many years.

"SURE, anyone can grease a car—maybe"

ASSOCIATED FACTORY SPECIFIED LUBRICATION

NEXT TIME do as the factory specifies

To the motorist who thinks that anyone can "grease" a car, we have a friendly warning: Every car, every model, requires individual treatment in lubrication. The ordinary grease job too often overlooks factory specifications. Points that are forgotten, or where the wrong type of lubricant has been used, soon lead to trouble—sometimes a serious breakdown.

Factory-Specified—an individual service

When you take your car to the Smiling Associated Dealer who displays the "Factory-Specified" sign, he lubricates it exactly as the manufacturer intended. He uses the individual factory lubrication chart of your car. Nothing is overlooked. Also, he sees to it that the battery, steering gear, lights, spark plugs, fan belt, tires, are checked—that everything about your car is right for you to enjoy all the pleasures of Associated motoring—happier motoring.

Specify Cylcol Motor Oil

Cylcol leads the field in these qualities demanded by modern motors: (1) Cylcol cannot corrode modern bearings. (2) Cylcol forms less carbon than any other motor oil. (3) Cylcol offers less oil drag—saves gasoline. For complete protection depend on Cylcol motor oils and greases.
