

# Flower Show Slated for June 11 by Salem Heights Garden Club

## Show Will Be Open to Public

### Visitors Will Be Judges of Display at Hall in District

SALEM HEIGHTS, June 5.—The Little Garden club met Thursday afternoon with Mrs. Graham as hostess. The Grahams have recently purchased the B. C. Miles home on South Commercial street.

Mrs. H. E. McWain read a paper on "How to Arrange Flowers" and "If You Can Paint Pictures With a Brush, Paint Them With Flowers in Your Garden." Mrs. J. B. Van Cleave talked on "Iris" and called attention to Dr. Kleinsorge's experiment of iris from seed.

The club has decided to hold a flower show Thursday, June 11, in the Salem Heights community hall. There will be no charge for the show and the public will judge the flowers. Many perennials, roses, flowering shrubs and a few annuals will be shown. The show will be held both in the afternoon and evening and all are urged to attend.

Mrs. Graham served strawberry short cake at luncheon time with Mrs. Irene Parsons assisting. Special guests for the afternoon were Mrs. Grant and Mrs. H. S. Polsal.

## Plan Delivery of Bonus Bonds

Special arrangements for mailing of veterans' bonus bonds, which will be posted the night of June 15, were made when Postmaster Vincent E. Burke, seated, of Washington, conferred with veterans' leaders on plans to insure speedy delivery.

ed \$60 for labor in fitting the boat for the water department's use.

Profit is Reduced By Extra Expense Expenditures on the filter beds and for repair and maintenance of meters, approximately \$3500 extra, reduced the water system's operating profit for May to \$5,692.63, an 11 percent reduction.

Water department earnings for the month amounted to \$13,824.31 from private customers and a book figure of \$458.64 listed as due from the city council for hydrant rental, or a total of \$14,282.95. Expenses aggregated \$779.32.

The water department had \$44,348.55 cash on hand at the close of May. The commission last night authorized payment of \$15,650 from the cash surplus to meet semi-annual interest charges on the water bond issue.

Immediate action to obtain right of way easements for the Salem-Stayton Island gravity pipeline was directed by the commission on orders from the city council. The commission recommended employment of G. W. Johnson, Jr., of Salem, and Ernest Denny of Stayton, to obtain the easements. Each man will be paid a flat \$300 fee. Johnson said the easements could be secured in less than 30 days if no extraordinary delay were encountered.

Extension of a six-inch main to the 17th street entrance to the state fairgrounds was authorized at cost of \$312.28 for new cast iron pipe. The state fair management has a WPA project arranged for to lay a connecting main across the grounds.

The commission granted a request of the Salem Lions club to use the vacant lot behind the water offices for a carnival of the club will sponsor June 23 to 27 to raise money for its blind school landscaping program. Liability insurance to protect the commission and the water department was demanded as a part of the agreement for use of the lot.

## Camping Contest Letters Come In

Letters in the Y.M.C.A. contest on summer camping are already coming in, Gus Moore, physical director, said yesterday. Moore states that the boys in the grade schools and junior high are showing great interest in the competition.

The winners in the three grade school classes will get free trips to the Y.M.C.A. summer camp. Other winners are to receive credit toward the camp registration fee. The contest is based on a letter telling why the boys would like to go to camp. Entries for the prizes must be in by June 15.

## Retta May Hamen Funeral Is Today

MONMOUTH, June 5.—Funeral services for Retta May Hamen, 50, who died Thursday night in a Salem hospital, will be held Saturday at 2 p. m. in Monmouth, with Rev. W. A. Elkins officiating. Burial will be at Monmouth. She was born August 13, 1885, at Monmouth, the daughter of Mr. and Mrs. Robert Clark. She attended Monmouth schools, including Oregon Normal. She married L. Hamen in 1905 at Monmouth. They made their home on a farm near here since that time. She is survived by her husband, three daughters, and several brothers and sisters.

## Industry Stopped By Labor Dispute

MARSHFIELD, Ore., June 5.—(P)—Four hundred and fifty employees of veneer and plywood plants here remained idle today, after employers and union leaders failed to reach an agreement on wages and working conditions. Three plants were affected: the International Cedar company, employing 350, and the Pacific Veneer and Western Battery Separator plants, employing 50 each. Union leaders charged a "lock-out" and said no strike had been called.

## Neptune Will Run For School Board

FOR our show today we have a great lineup of stage talent and a perfect picture fare. . . . And by the way we're going to call the stage show our "Down South Idea" in honor of "SHOW BOAT" which comes Sunday to the Elsinore.

SOME of the gang who will take us down south will include Merle Crowe and Jim McNeil of Hot-Shot fame, Lucille Shannon, Gloria Myers of the Barbara Barnes school, Hal (sure - step) Jeppson with a blith of Southern soft shoe rhythm, Herbert Hobson who is a new comer to our ranks, and a whole bunch of great talent. . . . The picture fare will include Robert Donat in "THE GHOST GOES WEST" and Margaret Lindsay in "THE LAW IN HER HANDS."

LAST Saturday's program included Richard Taft, The Ewing twins, Doris Vincent, "Pos" and His Rats, Dorothy Edwards, Doris Raiter, Pauline Cox Chambers, and Donnie Edwards and the bunch were well received.

THERE are letters here at the theatre for George Sweigert and Horace Potter, so you two be sure to see the Mouse secretary Saturday.

THAT'S all for this time. . . . see you at 1:00. . . . Chuckie-Wuckie.

## Early Nomination Of Landon, Claim

CLEVELAND, June 5.—(P)—The republican national convention preliminaries developed such a volume of Landon-for-president talk tonight that some of the Kansas governor's supporters persisted in predicting a possible first-ballot nomination. In spite of sharp replies from two opposition clans.

So insistent were the Landon claims, in fact, that some of the delegates pledged to him turned to discussion of second place on the ticket, and of the platform which must be drafted in next week's convention. There was much mention of Sen. Arthur Vandenberg of Michigan for the vice-presidency.

The platform discussions indicated that controversy might be brewing on at least two subjects, the plank relating to the curbing of a constitutional amendment to permit the states to pass minimum wage laws.

## Tariff on Motor Freight Planned

Adoption of a comprehensive motor freight tariff, applicable to virtually every possible item between any two points, is being considered by the state utility commissioner, following a series of 30 truck hearings held in different parts of the state.

Publication of this rate book would halt chiseling and unfair practices on the part of truck operators, officials said.

## Voting Ended, Loggers' Decision Learned Today

PORTLAND, June 5.—(P)—The immediate future of the logging industry in the western Columbia river area of Oregon and Washington will be determined tomorrow when union votes on the proposed agreement are tabulated. Ballot boxes were closed tonight.

## Mrs. Corbett Dies

PORTLAND, Ore., June 5.—(P)—Mrs. Helen Ladd Corbett, leader in Portland's social life and civic service for many years, died at her home here today. She was 76 years old and was a native of this city.

## Progress Made in Improving Tracks

### Large S. P. Crew Is Near State Street; Route Is Re-Ballasted

A large Southern Pacific section crew near State street yesterday in the task of re-ballasting the mainline tracks from Marion street to Mill street and replacing rough plank with a bituminous paving. More than a week will be required to finish the job.

Railway officials believe an old cause of the track covering's roughness along 12th street, poor drainage, will be eliminated under the present reconstruction program. To carry off rain water, perforated corrugated iron piping is being laid alongside the ties. Eight inches of fresh crushed rock ballast is being laid beneath the ties and new ties laid where necessary.

Solidity of the new grade foundation will be taken advantage of by laying heavier rails welded into a single section throughout the six-block stretch. Ninety pound rails are being replaced by 130 pound material.

Intersection crossings, which have been left untouched, will be rebuilt and paved as soon as the re-ballasting work has been completed.

## Arguments Heard On Gillis Appeal

Arguments were heard in the state supreme court Friday in the appealed case involving John Gillis, Portland, under penitentiary sentence for assault while armed with a dangerous weapon.

The state alleges that Gillis employed Gerald "Spud" Murphy and two other members of a "beat up" gang, to attack Alfred Ertman, woodsawyer, during a labor controversy. Murphy was to receive \$50 for the job, and also was promised immunity by his employer.

Ertman was wounded and was in a serious condition for several weeks after the shooting.

## Cleaner Water Is Assured Patrons

Nearly 3000 customers of the city water department have been assured of receiving cleaner water as a result of the meter overhauling program, it was reported at the water commission meeting last night. Manager VanPatten said his crew had removed and cleaned 1280 meters, many of which had a heavy accumulation of muck, and had replaced 1736 other meters with new ones.

The meter crew eventually will have cleaned out all of the more than 5000 meters in the system under the present program. The Oregon-Washington Water Service company had allowed the meters to go untouched for several years, VanPatten indicated.

## Landon to Speak On Radio Monday

LAWRENCE, Kan., June 5.—(P)—Gov. Alf M. Landon's brief talk at Kansas university commencement exercises here Monday night will be broadcast over a national (NBC) radio hookup, officials of station WREN were notified.

The 15-minute broadcast beginning at 8 p. m. C. S. T., will include introduction of Landon, mentioned for the republican presidential nomination by Chancellor E. H. Lindley of the university. Landon is expected to talk about 10 minutes.

Miss Erb and Mrs. Miller are taking the places of Miss Josephine Smith and Miss Roberta Peterson who are to be married this summer.

## Salem Girls Will Head Sororities at College

CORVALLIS, Ore., June 5.—(P)—Two Salem girls won election to the presidencies of Oregon State organizations. Cleo Ritner was chosen to head Alpha Chi Omega and Mary Lois Driggs will lead Kappa Delta.

## Chinese Equipped To Stop Invaders

SHANGHAI, June 5.—(P)—Ancient China is preparing for war with Japan—and she has a modern army to back her if war comes.

Japan's continued military penetration in North China, coupled with the wholesale smuggling in that area, will—Chinese themselves assert—force the central government at last to defend itself.

China, they said, can expect no help from other power or from the League of Nations.

But Nanking, foreign observers believe, will not force a showdown unless Japan tries to extend active authority beyond the limits of Hopei and Chahar provinces. If Japan attempts, however, to go south of the Yellow river China is expected to oppose Japan to the fullest.

Generalissimo Chiang Kai-Shek, semi-dictator, of the national government, now has half a million loyal, well-trained, well-equipped troops. In case of an emergency he can also count upon another quarter million from the provinces, provided the regional war lords support him.

## Careful Planning Urged by Speaker

Representative Hannah Martin, who addressed the 20-30 club at its meeting Friday night, suggested that the city of Salem should look to the future and plan a civic center in harmony with the new capitol, new postoffice and proposed new county courthouse. She expressed the hope that the architecture of these buildings would harmonize, creating a unified group of public buildings housing county, federal and state business. She praised the proposed plans for the new capitol and the work of the architects in preparing the designs. She expressed appreciation of their study of Oregon history in making the plans.

A piano solo was given by Henry Clements.
