CARELESSNESS—

YOU may know girls like the one on the left -at home, unhappy, while others are out enjoying life.

Often they are victims of ill health that results from unwise dieting - from eating meals that lack sufficient "bulk" to provide needed internal exercise.

Common constipation results. Too often it isn't regarded as serious. Yet doctors will tell you that constipation can slowly undermine your health, leading to discomfort, lowering of bodily resistance, and disease,

Don't neglect constipation. Usually it is due to lack of "bulk" in the foods you est. When it is, Kellogg's ALL-BRAN

is a safe and pleasant corrective. Scientific tests in leading universities have shown that this delicious ready-to-eat cereal supplies the "bulk" needed to provide regular elimination.

Kellogg's ALL-BRAN absorbs moisture in the body, forming a soft mass that gently cleanses the intestinal walls. It does not break down in the system as does the "bulk" in many fruits and vegetables. So it is often more effective.

Isn't it better to use this natural laxative food in place of patent medicines? Two tablespoonfuls of ALL-BRAN daily, served with milk or cream, are usually sufficient. Stubborn cases may require ALL-BRAN oftener.

Kellogg's ALL-BRAN is not a "cure-all"but it does correct common constipation. It is guaranteed by the Kellogg Company. En-

joy ALL-BRAN as a cereal, or cook into appetizing muffins, breads, waffles, etc. ALL-BRAN has a tempting nut-sweet flavor. Eat it regularly for regularity. Sold by all grocers. Made by Kellogg in Battle Creek.

Serve ALL-BRAN regularly for regularity
