Agreement Reached — The county court yesterday morning received from the Clackamas county court signed agreement for construction by the two counties on a 50-50 cost basis of a new terialize, committee members said bridge over Butte Creek at Monitor. With the agreement completed, construction will start shortly with Al Hennies in charge under direction of County Engineer N. C. Hubbs. The bridge will meet state highway department standards with an additional twoinch decking and a walk for pe-destrians. The span will be 120 feet long, plus fills, and the highway will be realigned at the point of construction, near the present structure.

**Full Realization of Democracy** Possible

Dr. Sisson professed to see pessible "for the first time in history, the full realization of democracy . . . because the machine "Christian Education." m. has made it possible for us to be relieved of being beasts of burden." The world is "temporarily

tangled up with the machine" but. "if we are not tied up by a dictatorship in the next few years, we may really try demo-

cracy," he concluded. The senior classmen joined with the juniors last night in
