**Scout Camp Boys Make Long Hikes**

By BOB MUNDT  
Wolf Patrol, Troop 12  
CAMP PIONEER, July 18.—The boys at scout camp went on three hikes, one to Marion lake, one to Three-fingered Jack, and one to Mt. Jefferson. The Marion lake hikes came in Wednesday, the Mt. Jefferson and Three-fingered Jack hikes came in Friday. They had to do their own cooking.

There will be a court of honor Sunday, July 19, with many boys going up for some rank in scouting. Some will get Merit badges. Each group of boys that went out on a hike will give a skit about the hike.

Many of the scouts are going to stay over for the second period. The boys that are in the tent with me are: David Putnam and Bill Neimeyer. We had an amateur program Friday, July 10. And the groups I'm in won it.

I am very sure that each boy is having a keen time in Camp Pioneer this year.
