Accident Case To End Today

Affidavit Filed; Horton Held to Be in Contempt, Court

Arguments in the \$20,000 auto-mobile damage action of Esther Swartz against Crandall brothers will be given before the jury in Judge L. H. McMahan's court this morning. Testimony was completed yesterday. The case of Fliegel vs. Sackett is scheduled to be tried immediately upon the com-

pletion of the Swartz case Friday. The action against the Crand alls arose out of an automobile ac-cident on the Pacific highway near Sunnyside south of Salem June 16, 1935. Cars driven by A. I. Crandall and Grover Swartz collided causing injury to Mrs. Swartz. She claims permanent injury to her right arm, right leg and head. The defendants claim that the accident was due to the

Home of Good Used Cars

C. E. Wickman, President, Greyhound Corporation, world's largest highway transportation system GUM-DIPPED TIRES

are used on Greyhound Buses"

FOLLOW the lead of big tire users who buy only on proof of performance.

Last year Greyhound buses traveled 138,000,000 miles from Coast to Coast and from Canada to the Gulf across deserts and over winding mountain roads.

They have won the National Safety Council's highest award in inter-city bus operation for the past four years. This is indeed a tribute to careful driving, efficient equipment and the reserve safety of Firestone Tires made possible by the Firestone Patented Process of Gum-Dipping which prevents internal friction and heat.

Firestone Gum-Dipped Tires run up to 28° cooler and give greatest blowout protection the scientifically designed non-skid tread will stop your car up to 25% quicker and give you. 50% longer non-skid mileage.

Take no chances! Buy your tires on proof of performance. Let us equip your car today with Firestone Gum-Dipped Tires, the Masterpiece of Tire Construction!

Visit the Firestone Exhibits at the Great Lakes Exposition in Cleveland and the Texas Centennial in Dallas.
