## Pattern

By ANNE ADAMS  
Just ahead—a bright new season—Fall! Don't let it catch you napping without a really 'n' truly up-to-the-minute frock like Pattern 4057. Mother will love the short-sleeved, round-necked version, made up in colorful crepe or wool georgette, with saucy button accents for belt and the cleverly notched yoke. The young miss who goes back to school is sure to speak for a longer-sleeved version, made up in a challis or wool crepe, and a crisp, little-girl collar atop the pretty yoke. This delightful, easy-to-make style will "fill the bill" on many a gala occasion, and make you the envy of your own charmed circle.

Pattern 4057 is available in sizes 12, 14, 16, 18, 20, 30, 32, 34, 36, 38 and 40. Size 16 takes 3 1/2 yards 39 inch fabric. Illustrated step-by-step sewing instructions included.

Send fifteen cents (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly name, address and style number. Be sure to state size.

Be sure to order your copy of our Anne Adams Pattern Book! See all the cool, lovely clothes you need for summer fun—pictured in smart, simple models that are even fun to make!
