Folk Festival to Be Staged

Plans announced recently for the forthcoming state-wide folklore festival sponsored by the state of Pennsylvania at Bucknell university at Lewisburg call attention to the interest aroused in the cultural beginnings of our country. This year more than a score of festivals reviving the songs, dances and verse of American pioneers have been presented. America appears to be "coming of age". judging by the attention attracted by these events. The Pennsylvania fete is scheduled July 30 to Aug. 1.
