

Hop Gathering on Slate, Oak Point

Picking to Commence in Yards Through Next Week Is Word

OAK POINT, Aug. 20.—Hop picking begins Wednesday in the

yard here of Mrs. Elizabeth Titus on early fuggles. Mrs. Titus has a good crop of hops. The same crew will pick the small yard of Edward Harnberger, the first crop to be picked from his yard. Dave Titus will pick his early hops, which are the only ones he will have this year, as the late hop yard was not worked. He plowed up 30 acres of late hops and reset to fuggles, which will come into bearing next year. Horst company commenced Monday on early and the McLaugh-

lin yard will begin Aug. 26. Dean Walker will begin in the young yard on Thursday and will dry his yield in the Carrol hop houses, his hop houses having burned about two weeks ago, with all sacks, nearly all hop baskets and most of the wood that had been hauled to be used in the drying.

Bible School Has Enrollment of 33

JEFFERSON, Aug. 20.—Much interest is being taken by children attending the daily vacation bible school which opened Monday morning at the Evangelical church. Thirty-three children have enrolled, and four classes organized.

time is spent in various outdoor games and sports. All children are working for prizes to be awarded in memory work at the close of the school.

Rev. W. F. Willings of the Methodist church, gave an object lesson on "The Prodigal Son," which the children enjoyed Tuesday before dismissal. The school is under the supervision of Mrs. Charles Fogg, and will continue throughout next week.

Boiling For Jelly

When making jelly, the fruit juice should boil rapidly 2 minutes before sugar is added. Remove any foam which collects on top.

"Canning used to keep me chained to my wood stove"

BUT NOW MY FLAMO GAS OVEN DOES THE HARD WORK!

I put my fruits and vegetables in jars—put the jars in the oven—set the oven heat regulator and go on with other things. Later I come back and seal my jars up. And to think I used to be chained to a wood stove—dipping and sealing things all day.
