### MAYOR KUHN'S INVITATION

*To the Citizens of the  
State of Oregon:*

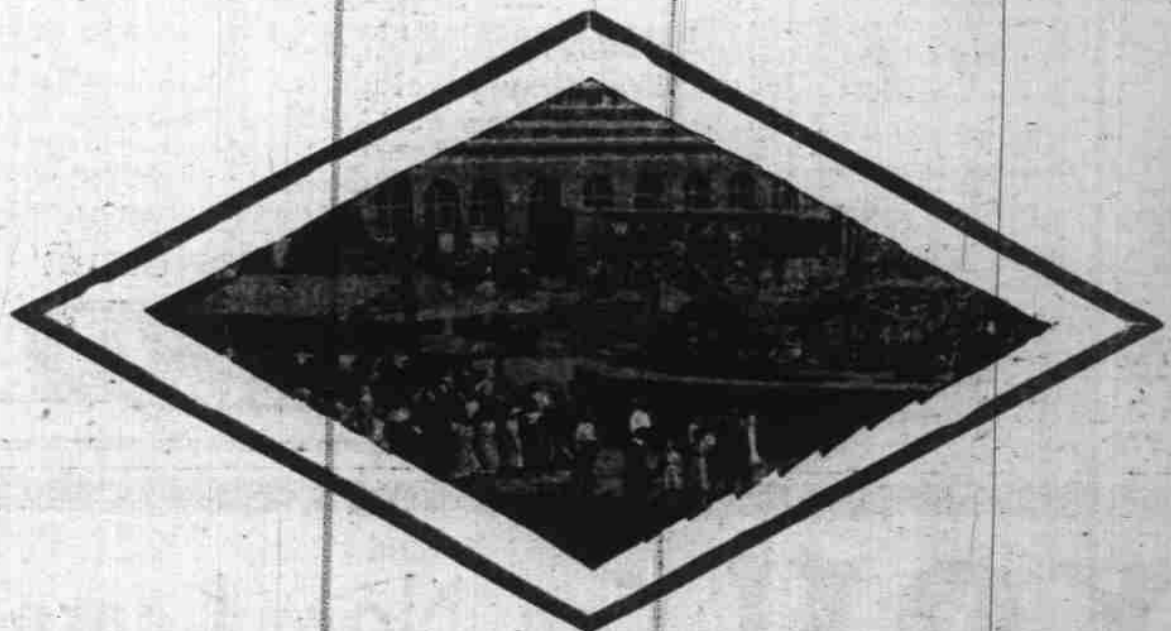

In view of the fact that the Oregon State Fair, for 1936, September 7 to 13, is in reality a celebration of the 75th anniversary of the observance of this fair, I take great pleasure in announcing that the City of Salem is joining wholeheartedly with the Fair Management in making this the most outstanding Fair in its history.

As the Mayor of the City of Salem, and as official representative of its citizens, I wish to take this means of extending to each and every citizen of the State a very cordial invitation to attend the fair this year. In fact, I would urge that you make a special effort to do so, inasmuch as it is not only an exhibition and a fair observance, but is an historical event, and one that the memories of which will remain with you for years to come.

Hoping that I might have the pleasure of greeting each and every one of you at the State Fair, September 7-13, I have the honor to be,

Yours very truly,

V. E. KUHN, Mayor.
