BOSTON, Sept. 24.—(P)—The New York Giants clinched their "Horatio Alger" success story today by clinching the national league pennant.

Topping off one of the most astonishing drives in diamond history, they nosed out the Boston Bees 2 to 1 in a ten-inning pitching thriller in the first game of a doubleheader, to win the 1936 flag.

Boston won the second game 4 to 0.

Their victory made the first "subway series" since 1923 a certainty, with the New York Yankees as the American league representatives. The classic gets underway next Wednesday in the Giants' polo grounds.

A restrained group of athletes got together in the club house between the first and second games today to exchange congratulations but there was little whooping it up.

Dean Wins No. 24	ST. LOUIS, Sept. 24.—(P)—Behind the pitching of Dizzy Dean, the Cardinals won the second game of a doubleheader from the Cincinnati Reds today when darkness ended the game in the 6th inning with the score 2 to 0. The Cards had won the opener 5 to 4 in 12 innings. It was Dean's 24th victory.

DODGERS, PHILS Split

BROOKLYN, Sept. 24.—(P)—The Dodgers closed out their home season today by splitting a doubleheader with the Phillies.

The Phils took the opener when Jose Gomez singled in the 13th inning with the bases filled, driving in two runs for a 4 to 3 decision. The second game had to be called because of darkness at the end of the Phils seventh, with the Brooklyn winning 4 to 2.

BLANTON GIVES 3 HITS

CHICAGO, Sept. 24.—(P)—Pittsburgh shoved Chicago deeper into third place today by beating the Cubs 4 to 0 in the final game of the national league season at Wrigley field.

MINNESOTA "Fired Up," Hotel Blaze

SEATTLE, Sept. 24.—(P)—The University of Minnesota football team, speeding to Seattle tonight after a hair-raising escape from a hotel fire in Missoula, was a 10 to 8 favorite here to conquer the Washington Huskies in their intercollegiate opener Saturday.

In wagering circles it was intimated, also, that the odds might become greater, up to 10 to 5, after the Gophers arrive tomorrow morning.

At the same time many football followers were debating whether the fire, which chased the players out of their Missoula hotel in pajamas at 4 p. m., would upset the three-year undefeated gang.

"I'm sorry to hear of the plight of Coach Bertram Blier, and his men," said Coach Jimmy Phelan of Washington. "I hope the fire didn't cause any ill-effects. We want the Gophers to be at full strength."

And then he added: "I wish I had a little fire to put under some of my gridders. Some of them have bogged down the last couple of days and need a spark."

MISSOULA, Mont., Sept. 24.—(P)—Fire which destroyed their hotel and several other buildings, sending them scurrying to safety without their personal belongings, didn't depress University of Minnesota football players today.

BIG, brawny and powerful but lacking the quick-stepping genius of Oravec, the 1936 Bearcats will tonight prance onto Sweetland field to open against Don Faber's Albany Pirates their football season in the Northwest conference, dominated for two years by "Spec" Keene's Bearcats.

Wingman of W. U.

Seeking their 14th consecutive conference victory will be the Bearcats who haven't been licked since Puget Sound took their measure 6 to 0 in the opening game of the 1934 season.

With a new coach—one who as a Willamette halfback broke a leg in a game against Albany, the Pirates will be attempting to win their first game since Albany was admitted to the conference in December, 1931.

That Faber will give much to contend with in his debut as a Northwest conference coach is shown in the fact that Keene will field a team that will outweigh the Pirates 30 pounds to the man.

Two veteran backs

Big Dick Weisgerber, the 208-pound fullback who twice has won the conference honors, will be called upon to do the triple-threat act in the Bearcat backfield. The remaining member of the "Touch-down Twin" combination of Oravec and Weisgerber will with Don Brandon be the only veterans in the backfield. Weisgerber will call signals and take care of the kicking as well as the line-plugging.

Brandon, who starts at quarterback, and Weisgerber will probably do most of the passing and the intricate passing drills Keene has been showing the squad through are evidence that there will be plenty of aerial work.

Jimmy Hogg, 180-pound sophomore halfback, has been elected to do a good share of the ball-carrier work, but while Neil Schaffer, 195-pound sophomore, will fill the blocking position.

Line Heaviest Ever

The line that Keene will start tonight, averaging 203 pounds to the man, will probably be the heaviest ever in the Northwest conference. Keene has put into play in the ten years he has coached at Willamette.

Charley Versteeg, 190-pound all-conference end, and Walter Weaver, lightest man in the line at 150, will hold down the flank positions. Two veteran behemoths, Darrell Newhouse, 235, and Bob Vagt, 214, are slated for the tackle positions. At guard positions will be Tots Yada, 221-pound Japanese who won a first string place this year after two seasons on the squad, and Norman Peterson, 190-pound sophomore. Vern Urel, 195-pound center, will start in the pivotal post. Faber's Albany club is built around a nucleus of six lettermen and include a number of freshmen, yet untried in collegiate competition. His starting line will average 172 pounds to the man and his backfield 161.

The game will start at 8 o'clock.

Football Gets Grip on State

Six Collegiate Games Are Scheduled, 2 Others Sharing Interest

(By The Associated Press)

Football took over the street-corner chatter of Oregon today and echoed of the gridiron sound of even above those of the much-discussed forthcoming world series.

Six collegiate games were on the State's week-end docket and two others—one involving an Oregon team and the other a pair of the leading elevens in the nation—drew their share of attention.

The latter two were Oregon State vs. Southern California at Los Angeles and Minnesota vs. Washington at Seattle, both tomorrow.

Today's games in Oregon, University of Oregon vs. University of Portland at Eugene tonight; Willamette University vs. Albany College at Salem tonight; and Oregon Normal vs. Vancouver barracks at Monmouth.

On schedule tomorrow: Linfield college vs. College of Idaho at McMinnville; Eastern Oregon Normal vs. Oregon Institute of Technology at La Grande, and Southern Oregon Normal vs. Pacific University at Ashland.

High Schools Start

High schools, too, move into stride this week-end, with at least two inter-state contests booked. Hood River will meet Camas, Wash., at Camas today and La Grande will battle Boise, Idaho, at La Grande tomorrow. Hood River defeated Chemawa 33 to 9 and La Grande held Walla Walla to a 0-0 tie last week.

Eight Portland high school teams will meet at Multnomah stadium in Portland tonight to give the 1936 season its usual send-off. It will not be determined which of the two teams will get the call for the night's contest until just before game time.

Tomorrow night will see the opening of the Willamette valley league's season at Salem. Teams from Dallas, Independence, Newberg and West Linb each will play 15 minutes in a game against Canby, Molalla, Woodburn and Silverton. Actual inter-school conference competition will start next week.

Portland will be without a collegiate rival in the Northwest conference tonight. The team that will field the Pirates 30 pounds to the man.

Universal Service Backed by Legion

(Continued from page 1)

Legionnaires he would dedicate himself to "a program of administration characterized by courage instead of cowardice, sincerity, not hypocrisy, and to make the Legion worthy of the ideals of those who founded it."

Platform Adopted

Just before electing Colmery by acclamation, the veterans, as a "contribution to the promotion and preservation of peace," adopted a resolution demanding that "the principle of universal service be presented to the forthcoming session of the congress as a major point in the legislative program of this organization."

Under the Legion's program this act would provide for "the draft of capital, industry and man power, as well as men to fight in the event of a national emergency or actual war."

The veterans, by resolution, condemned the Black Legion and its activities and asked a congressional investigation of the organization.

They approved a resolution urging the United States to maintain a policy of neutrality and to remain neutral in the European war which might draw the country into war, and another affirming the Legion's belief in the Monroe doctrine as a measure of peace.

Today's proceedings wound up nearly a week of joyous reunion, pageantry, business sessions and general hilarity for the Legionnaires.

Freshmen Offer Likely Material For Gervais 11

GERVAIS, Sept. 24.—A tentative football schedule for the Gervais school has been announced by Howard Tong, coach, who states that there are 10 lettermen back and that the freshmen material this year is the best in recent years. The lettermen who have returned to school are: Andy Jensen, Don Hood, Charles Hutto, John Hutto, "Pop" Runeson, John Short, "Squee" Ramp, Merle Kuree, Joe Bonn and Olin Brown. Schedule: October 3—Woodburn, there. October 8—Stayton, here. October 15—Canby, there. October 22—Banks, here. October 30—Stayton, there. November 6—Open. November 13—Amity, here. November 20—Aumsville, there. Games with Seio and Silverton may also be played.

Whitman to Face Vandals Saturday

MOSCOW, Idaho, Sept. 24.—(P)—An injury-riddled backfield is in prospect today for the University of Idaho in its football opener here Saturday against Whitman. The backfield cripples were headed by Clarence Devlin, letterman quarterback. Keeping him company were halfbacks Edgar Wilson, Willie Maxson, Harold Reis and Dean Green. None of the five was classified as incapacitated, but Coach Ted Bank was doubtful about any of them being in the starting lineup.

Wolves to Play Soldier Today

Five Lettermen on Lineup For Normal School's Opening Game

MONMOUTH, Sept. 24.—Football season, ushered in by autumn weather, will open on Butler field Friday afternoon at 3 o'clock. Holding the spotlight will be the Vancouver Barracks' heavy team, guests of Oregon Normal school in its initial 1936 game.

The Wolves' starting lineup will be: left end, Hastings; left tackle, W. Heinberge; left guard, Kelley; center, Mohler; right guard, Preece; right tackle, Nelson; right end, Hobbs; quarterback, Borden; left half, Dewey; right half, C. Vanderzanden, and fullback, McGhlan.

The starting lineup of the barracks' team has not been received here, but one outstanding star performer will be Lieut. Beal, a tackle of all-American recognition from West Point. William Nave, an all-American from the University of Iowa, coaches the soldiers' squad.

Five A Lettermen

Hastings, Kelley, Preece, Nelson and Borden were on last year's team here. The new men listed are Heinberge from Hill Military academy; Mohler from Illinois; Hobbs from a City High; Dewey, Vancouver high; C. Vanderzanden from Banks, a brother of Ray Vanderzanden, last season's ace fullback here; and McGhlan from St. Helens. Other new men who are showing up well and may see action Friday are the Clatsop players, and Raymond of Independence; Jason Miller from St. Helens; Anthon Riney, Monmouth high; and Adams from Hill Military.

Buckley, Lewis and Younce, lettermen, and a promising new recruit, Duncan of Gresham, all sustained injuries in practices this week. Coach Al Cox and his assistant, Hugh Edwards expect stiff competition, and will try out several combinations.

Bankers Wind Up Session Amiable; Politics Avoided

SAN FRANCISCO, Sept. 24.—(P)—The American Bankers' association ended its 62nd annual convention today with an aura of good will replacing the hostility that threatened to break out several times during the four-day gathering.

The last of the critical issues—the framing of resolutions—passed without a flareup when the convention contented itself with declaring against "unusual expenditures of public funds."

This resolution, along with all others on government matters, was framed to apply equally to federal, state and local governments.

Similar reframing of several speeches guided the bankers away from anything looking like administration attacks. Unit and branch bankers, at loggerheads for the past decade, went by several touchy spots without bringing the battle over extension of branch banks into open controversy.

Veteran Lawyer Dies

PORTLAND, Ore., Sept. 24.—(P)—H. S. Wilson, who came to Oregon in 1890 and practiced law until five years ago, died at his home here today. He came to Portland from The Dalles in 1910.

BY PAUL HAUSER

Don Faber, that courageous fellow who accepted the coaching job at Albany college while all the world was looking for a job, will bring his Pirates to town tonight. Little Albany college is known wherever sport pages are read, with the possible exception of China and Afghanistan, as the world's champion football losers. They lost 28 games in a row before they cracked their unprecedented losing streak by beating Pacific college.

Faber, who once broke a leg in a game against Albany when he was a halfback for "Spec" Keene, has sworn he will make the world forget Albany's left-handed championship. More power to him. And not overlooking a bet Faber has had his entire team psychoanalyzed to see what is the matter with them. That's a new thing in football. If all the coaches take to it we'll soon be seeing colleges boasting the efficiency of the psychoanalysts on their coaching staffs. Wonder if Don's special Svengali told him what the score would be tonight.

For the second consecutive year Mayor V. E. Kuhn has been the only one of his deer stalking party to bring anything home. Last year he brought home a deer. This year he brought home a fine pair of broken ribs.

Incidentally, Michigan deer hunters are wearing their deer hunting licenses promiscuously this year. A new game law requires them to wear a nine by four inch tag on the back of their coats. The tag looks just like an automobile license plate and from now a motorist won't be safe in the Michigan woods.

If all the ham and eggs consumed by the Salem Breakfast club in the past two years were put end to end it would probably make a fine breakfast, if slightly stale. At any rate the breakfast club starts off its third year as a football booster before you read this today probably. Johnny Oravec will make a speech which is news.

Lowly Athletics Down Champions

NEW YORK, Sept. 24.—(P)—The Yankees wasted time hitting by Lou Gehrig and a fine pitching performance by Monte Pearson today and dropped a 4 to 3 decision to the Philadelphia Athletics.

Gehrig belted his 49th homer and a double to drive in all the New York runs. Pearson allowed the A's two hits for seven innings, and then, straining his back in walking the first Philadelphia batter in the eighth, had to leave the game.

The A's landed on his relief, Johnny Murphy, for three hits and three runs before the inning was over to sew up the game.

areas of the Chinese metropolis. One of the marines was wounded fatally. The other two today were said to be recovering from arm wounds.

The foreigners were banded together in the reserve force of the international settlement volunteer defense corps, numbering 1,500 men.

The gradually expanded Japanese martial zone areas caused a succession of Chinese protests.

New Attacks Upon Jews Are Started

BERLIN, Sept. 24.—(P)—Jewish druggists today were given until October 1 to lease their stores to "Aryans." They will be allowed to remain as silent partners, but they must not actively manage the pharmacies.

ROME, Sept. 24.—(P)—Roberto Farinacci, former secretary of the fascist party and a member of the fascist grand council, editorially assailed tonight "the subversive influence of Jews" on European governments.

His editorial was printed in his newspaper "Regime Fascista," and attracted wide attention because of his prominence in the fascist party in which anti-Semitism has never been a tenet.

"From the monopoly enjoyed under the dictatorship in bolshevik Russia, to the prevalence it has achieved in the bolshevik government of France, the subversive influence of Jews is very evident as the cause of existing disorders," Farinacci wrote.

Dictatorship Fear Cited by Coughlin

CINCINNATI, Sept. 24.—(P)—The Rev. Charles E. Coughlin declared tonight that "when any upstart dictator in the United States succeeds in making of this nation a one-party form of government, and the ballot becomes useless, I shall have the courage to stand up and advocate the use of bullets."

He told a rally of the national union for social justice also that "the red flag has been upheld in America; we must stop, look and listen, lest disaster confront us."

Drunk Driving Charged

City police at midnight last night arrested a man giving the name of S. C. McKernis, Woodburn, on a charge of drunken driving. He was lodged in jail for the night.

A Seattle man, Ben Winters, was arrested by Salem police last night on a charge of being drunk.
