**STUBBORN CONSTIPATION ENDS QUICK! SALEM MAN THANKS GREAT VAN-TAGE**

Tortured by Sluggish, Irregular Bowels for 30 Long Years — Stomach Bloating with Awful Gas — Now Mr. Tuel, Prominent Salem Man, Describes Amazing Action of Van-Tage in Relieving Awful Misery!

Mr. Charles E. Tuel, of 2900 Brooks Ave., Salem, has now come forward with his remarkable statement, publicly praising and endorsing VAN-TAGE, the "Amazing Mixture of Nature's Roots and Herbs and Other Splendid Medicinal Agents" now being introduced to the world daily in this city by Special Van-Tage Representative, known as The VAN-TAGE Man, at 170 N. Liberty St. Mr. Tuel is a LONG-TIME Local Resident, with hundreds of friends throughout Salem and vicinity, and what he says about Van-Tage will interest with great interest by every suffering person in this section. His testimonial is published below. Read every word of this widely-known citizen's statement, and see for yourself how Van-Tage performs its surprising action on the weakened Human System.

**Took Laxatives For His Bowels Constantly!**

"I had been having trouble with my bowels for 30 years," said Mr. Tuel, "and I was taking something for them all the time, and sometimes I would get temporary relief and then I would have to go through the same thing all over again. My stomach got bad, too, and I would bloat up so much that there were times when I thought my stomach would BURST with the awful gas! I tried most everything without much help. Then my wife started taking Van-Tage, and she got such wonderful results from it that I decided to try it and see what it would do for me. This medicine has given me more relief than anything else I EVER TOOK! It drove the gas and bloating from my stomach, and it had such a wonderful action on my bowels that they are now REGULAR and I don't have to be taking those awful physics and laxatives like I used to. Only those who have been tortured by sluggish bowels can realize what a grand relief that Van-Tage has actually done wonders for me in a very short time, and I am glad to be able to give this word of praise to such a wonderful medicine."

**BEWARE OF COLITIS If Constipated**

New "lifestina" fruits and leaves bring overnight action without artificial drugs or chemicals. Exercise intestinal muscles. Clear the skin. Doctors say there is almost an epidemic of colitis and "piles" due to the increase in constipation. Painful, costly surgical operations are often necessary when conditions get bad. Yet in the early stages, constipation can easily be relieved. A new, natural fruit juice called T.M. gives your lower bowel a good cleaning, and protects your blood against many poisons that can enter through the intestines. You can take T.M. every night of your life and it won't hurt you because it's made of pure fruits and leaves boiled down into a tasty jam. No harsh, artificial laxative drugs or chemicals irritate the colon and make it raw. Money back unless you agree that T.M. is the best laxative you've ever taken. On Jan. 25c; trial jar, 15c.
