Scott were obligated in the third and fourth degrees. Master H. S. Keefe announced the county council meeting to be held at Red Hills grange October 7, and the Pomona meeting at the same place October 21.

This year promises to be even better than the preceding events.

The lecturer's hour Thursday consisted of a talk by Ray Latky on the proposed hydro-electric unit which will appear on the ballot in November. C. B. Johnson served melons from his garden. The melons were produced by Mr. Johnson after much experimenting. He originally secured California seed but had to wait several generations before the melon adapted itself to the Oregon climate. Now he has a remarkable melon which he calls Johnson's Perfection.

The next meeting of Chemawa grange will be held October 8 in the MWA hall at 8 p. m. This is the social night but further plans for the fair will also be discussed.

It was decided to write the Greyhound Stage company and request that the name Mt. Angel be added to the list of names that appear on the stage coaches. Other suggestions made included that a meeting be held to make plans for a "trade at home" campaign and that novelty goods rather than staple merchandise be displayed in the windows. The latter suggestion was made by Ed Stolle.

The business men agreed to send a letter to the mayor of Brandon, sympathizing with him and his city in the terrible disaster that visited that town. Jack Bauman, Alois Keber and P. N. MT. ANGEL, Sept. 28.—On a hundred and seven alumnae members of Mt. Angel Normal and Academy met at the school Sunday for their all-day annual meeting. Miss Theresa Dehler, Mrs. Henrietta Berning-Kaiser, and Mrs. Eleanor Fischer-Schwab, local alumnae officers, acted as hostesses.

At 1:00 p. m. the visiting was interrupted by the banquet, held in the school auditorium. Tables were arranged in the gaily decorated hall and a spirit of festivity prevailed throughout the room as the 107 alumnae, the academy's first graduates of nearly a half century ago, smiled in comradely fashion at the youngest alumnae group, the graduating class of last June. Undergraduates had charge of the serving.

Mrs. Rosalia Keber-McIntyre of Portland was toastmistress. Rev. Vincent Koppert, rector of Mt. Angel Normal and Academy, welcomed all with a heartiness that left no doubt as to his sincerity. Mrs. Edith Owen-Ward of Salem spoke on "Today vs. Yesterday." Mrs. Rose Hassing-Butcher of Mt. Angel used "Our Girls in the Home" as her subject; and Miss Carola May of Mt. Angel and Miss Rita Kowssler of Woodburn represented the normal and high school class of 1936 respectively.

History Reviewed
Sister M. Ida, historian, reviewed reminiscences of the past. She gave extracts from articles about the institutions and the town of Mt. Angel gleaned from the files of the Oregonian and the Catholic Sentinel from 1881 to 1891.

Then alumnae from the different years were called on to say a few words about their days at the school. A business meeting followed, in which it was decided to change the clause in the constitution fixing the voting by acclamation to voting by secret ballot. Alumnae were urged to subscribe to the school paper, The Abiqua.
