

*Only A Few Days Left Before Bishop's Move into the New Store*

We plan to take nothing but new Fall and Winter merchandise with us into the new location. In order to accomplish this we will sacrifice the balance of this fine stock of men's clothing and shoes at the lowest prices we have ever offered the buying public of this community.

# BISHOP'S

Thirty-five years in one location and now we must leave the old place forever. It is with regret we leave this old stand where we have made so many friends but the demands of progress must be met. Our policy of style leadership and quality merchandise at popular prices will be carried on in the new store the same as it has been the past 35 years here.
