

Both of Oregon's Elevens Facing Strong Opposition Today

Idaho-Webfoot Contest Today

Oregon Slight Favorite in Spite of Air Threats; Phelan Worried

PORTLAND, Ore., Oct. 16.—(AP)—The Vandals of Idaho and the Webfoots of Oregon meet in their 26th football game on Multnomah stadium field tomorrow afternoon at 2 o'clock.

Coach Ted Bank, making his Portland debut, arrived with his Idaho team today. "Prink" Callison, Oregon coach, will bring his team from Eugene in the morning.

Comparative records for the season gave Oregon a slight edge. "Our men are in shape and practice at Moscow this week was highly satisfactory," Bank said. The Vandal mentor declared his team was ready for the threatened Webfoot passing attack. He remarked that if Oregon has not completed a pass all season the record shouldn't be made against his eleven.

Indian summer weather and a crowd of about 15,000 were forecast.

SEATTLE, Oct. 16.—(AP)—A ragged Oregon State college football squad came to Seattle tonight prepared to gamble on any wild play that might carry them to victory over the Washington Huskies in a conference game here tomorrow.

The Beavers had everything to gain and nothing to lose after two setbacks already this season and Coach Jimmy Phelan of the Huskies was expecting Oregon State to do the "wrong thing at the right time."

Washington, rated a leading contender for the conference title, was a two to three touchdown favorite, but Phelan was resting none-too-easily after the way the Beavers held California to a 7 to 0 score last week.

The weatherman forecast clear, dry weather for tomorrow.

Dallas Defeated By Canby Eleven

Score 20-0 With Visitors Tallying From Far Out; Injuries Play Part

DALLAS, Oct. 16.—Long-range scoring on the part of Pat Beal's Canby high gridiron warriors and a series of unfortunate injuries which hampered the home squad marked Canby's 20 to 0 victory over Dallas high under the lights here tonight.

Ellers, Canby end, took a forward pass for a 20-yard gain and a touchdown in the second period. In the third C. Miles scored for the visitors and Healy suffered a leg injury in the fourth quarter. Extra points were converted on the first two touchdowns.

Battleson and N. Miles were outstanding in the Canby attack and Gerard looked good for Dallas until a leg injury forced him out in the last period.

Woodman, Dallas' backfield ace, suffered what was believed to be a slight concussion on the first play of the game and was taken out, and Healy suffered a leg injury in the second period that sent him to the sidelines.

U.C.L.A. Father-and-Son Act Spells Trouble for Bears

Coach Stab Allison of the University of California (Berkeley) fears a "brother act" when his team meets the U. C. L. A. squad in the annual Bear-Brinla "Brotherly Love" 444, October 17 at Berkeley. Sport expert predict that the Spaulding "father and son act" will create trouble for the Berkeley mentor. Coach Bill Spaulding (right) is pictured with Bill Spaulding Jr., star halfback of the Bruin variety. Each team this season has lost one major game, U. C. L. A. bowing to Washington's Huskies, 14 to 0, and the Bears losing to St. Mary's, 10 to 0.—International Illustrated News Photo.

Undeclared List in Valley League Narrowed as West Linn Wins Over Silverton; Woodburn Victorious

WEST LINN, Oct. 16.—West Linn high school's football team continued its undefeated way in the Willamette Valley Interscholastic league race, turning back Silverton today 19 to 0.

The victory was hard-won and the score fails to reflect how well matched the teams were. Silverton opened strong and held the upper hand throughout the first quarter although it was unable to score.

The tables were turned quickly in the second period when Daggett of West Linn caught a Silverton punt and dashed through the Silver Exes for 45 yards to a touchdown. Stone scored a touchdown for West Linn in the third quarter and Daggett again in the last.

WOODBURN, Oct. 16.—Scoring a touchdown in the first period and staying off the opposition with a tight goal-line defense, Woodburn high school's Bulldogs defeated the Newburg high eleven 7 to 0 today.

Seely scored the touchdown and converted the extra point after Woodburn had gained the advantage on an exchange of punts. Newburg had a first down on Woodburn's five-yard line but was unable to reach pay dirt in four tries.

All four of Woodburn's starting backs made a number of good gains. Whitman threw a forward pass to Shaw which was good for a 50-yard gain, but it did not result in a score.

Woodburn's starting lineup was: Landen and Shaw, ends; Edwards and Pavelek, tackles; Borden and Burnell, guards; Reed, center; Krupicka, quarter; Whitman and Halter, halves; Seely, full.

Conference Tilts Predominate Now

NEW YORK, Oct. 16.—(AP)—Except for the southern delegates, who will devote a major share of their time and talent to interconference debate, the principal football disputes this week involve conference rivals or neighbors with a bone to pick.

The big ten, already a bit bruised up by non-conference opposition, likely will be subjected further to brist treatment before Wisconsin and Indiana finish off their afternoon's scuffle with Notre Dame and Nebraska, respectively. But the other eight members of this group will confine themselves strictly to family affairs.

Minnesota figures to have more or less a "breathing spell" against Michigan's warring Wolverines. Northwestern, although a slight choice here to turn back Ohio State, likely will be subjected further to brist treatment before the Wildcat appear more potent at this stage of the scramble.

All told, it is likely 225,000 spectators will see the six games involving big ten teams.

Ucla May Get First Victory

Bears Pre-Season Choices But Bruins Have Best Season Prospect

SAN FRANCISCO, Oct. 16.—(AP)—On football's wheel of fortune tomorrow will spin the championship hopes of three of the four undefeated teams of the Pacific Coast conference.

In the big western pigskin engagements, the University of California Bears face the sternest test. At Berkeley they will line up as not more than even money favorites to defeat their once-beaten southern brothers, the Bruins of the University of California at Los Angeles.

Pre-season favorites to end up in at least a tie for the conference title, the Bears took a 10 to 0 thumping from St. Mary's college two weeks ago, and last Saturday barely beat Oregon State 7 to 0 following the latter's 38 to 7 whipping by Southern California last month.

Whereas the Bruins opened conference championship play with a 14 to 0 licking at the hands of Washington's Huskies they showed possibilities greater than those displayed to date by the Bears. U.C.L.A. boosters look for a win over California for the first time since the two opened football relations in 1933.

The rejuvenated Southern California Trojans, bounding along the victory highway with a zip reminiscent of earlier championship days, will disappoint a huge following if they fail to take a Washington State college in stride as they have two other conference opponents. Cold facts and figures favor the Trojans as comparatively easy winners over a W. S. C. eleven which had difficulty retaining the status of title contender with a recent 14-13 victory over Stanford. The game will be played at Los Angeles.

Y. Enrollment to Reach Goal Today

Success was assured yesterday for Salem Y. M. C. A. teams engaged in the annual enrollment week solicitation when reports at the workers' noon luncheon showed the highest number of members secured, 75 each. The active club division headed by Dr. Louis B. School accounted for 106 members and \$2264.50.

Douglas McKay, enrollment chairman, joined with the director, A. E. Larimer, associated general secretary of the Portland Y. M. C. A., in declaring that completing the enrollment would be an easy matter.

New Deal Fiscal Reports Assailed

(Continued from page 1)
of the promise has rattled in the New Deal chest until they have tried to quiet it by juggling the double books.

The New Deal, he said, has a "three formula for making these expenditures look less than they are." 1. Omitting certain items from its list of regular expenditures and placing them in the appendix of the budget.

2. Deducting certain expenditures before the total is made up, which is announced to the public. 3. Using money from the relief funds for other purposes.

"If an income taxpayer or any corporation kept books like this administration," Mr. Hoover said, "that is, if they showed similar morals in juggling their accounts, they would be put in jail."

Whitman Favored To Down Badgers

OREGON CITY, Ore., Oct. 16.—(AP)—Pacific university of Forest Grove and Whitman college from Walla Walla meet here Saturday night in a Northwest conference football game.

Despite the loss of Alex Dietz, star halfback, the Missionaries were given the edge. Coach Big Borkbeck's starting lineup will be heavier and more experienced than the Badgers.

Coach Roger J. Folgate of Pacific, building his offensive around Ed Ellertson, halfback, said Whitman could look for plenty of passes.

Ideal weather was forecast. The game starts at 8:15 o'clock.

Midgets, Bees Win Victories

Leslie Defeated 39 to 0 and Parrish 21 to 0 in First Games

Overwhelming victories for the two high school teams marked the opening of the intramural circuit yesterday afternoon.

The Midgets, displaying superior strength in the line, ran over Leslie 39 to 0 while the Salem Bees had little trouble in defeating Parrish 21 to 0.

The Midgets opened by scoring three touchdowns in the first period including one on a 70-yard run by Mendel Shusterwitz, captain and quarterback. They added two more scores in the third period and another in the fourth.

Parrish started out threateningly with a dangerous pass attack but soon succumbed to a superior weight in the Bees line. Doerfler, Bees fullback, went over for the first touchdown just before the close of the initial period.

A pass from Maynard to McRae good for 35 yards put the ball on Parrish's quarter. Doerfler caught it in the second quarter. Doerfler plunged through to the one-yard line and Major went across. The Bees' third score was the result of a poor Parrish punt that was recovered by the Bees on the Parrish 15-yard line. The Bees went over in three plays, Doerfler making the score. A pass produced the extra point.

A safety late in the final period gave the Bees another two points. Starting lineups:

Silverton Trims Budget For 1937

Few Increases Still Bring Total Below Current Expenses

SILVERTON, Oct. 16.—The total city budget for 1937 has been estimated at \$17,855 in comparison to \$19,135 for a year ago. The budget committee with the city council met Thursday night.

A few increases are included, among them in the health and library fund. This fund was increased \$100, part to go to health and part to go toward the purchase of more library books. For the maintenance of the park \$550 was allowed. Last year's income from the general fund, the chief of police will receive \$100 more than a year ago and the recorder was granted a \$150 increase in expense.

Interest, however, has been reduced from \$1950 of a year ago to \$1460. The report also showed that the water commission has no bonds against it.

The increase in the police department, which includes the chief of police and the recorder expense, was felt justified because of the increase in the work of the department. Fines and forfeitures have more than doubled.

Not for many years has there been such an urgent demand for houses as in the city at this time. Almost daily families are seeking homes here, and it is stated that many more are expected from the less favored sections of the mid-west. Efforts to meet the demands have prompted several owners to remodel and enlarge
