THEY KNOW THE VALLEY FROM AIRLIE TO ZENA

77 correspondents cover the daily happenings of 96 towns and communities adjacent to Salem for The Oregon Statesman. Births and deaths, club news, grange affairs, church and farm news—the whole panorama of Willamette Valley activity—is brought accurately, swiftly to The Statesman each day by this competent staff. No wonder that at election time The Statesman can bring its nearly nine thousand readers first returns on "how the Valley goes."
