High Court Rules On Log Contract

The state supreme court affirmed Circuit Judge Haword K. Zimmerman of Clatsop county Tuesday in a suit brought by H. F. Dickson against D. H. Emmerston and V. H. Rickert, involving recovery of moneys for services performed, materials furnished and funds expended in partial performance of a contract. The lower court held for the plaintiff.

The contract was alleged to have included the transportation of approximately three million feet of logs and construction of a roadway three quarters of a mile in length. Plaintiff said he was prevented from completing the contract by the defendants.

The court held that Dickson was entitled to recover for the reasonable value of work done which inured to the benefit of the defendants in the suit.

Peace Meeting to Be Held Saturday

Date Changed; Waller Hall Scene of Gathering; Educators Speak

The Marion county mass meeting for peace, one of the October series of public meetings being sponsored at key centers throughout the nation by the Emergency Peace Campaign, will be held at Waller hall on Saturday night at 8 o'clock, rather than on the previously announced date, according to Mrs. M. G. Faneb, chairman of the Salem Peace Council.

Dr. G. Bernard Noble, professor of political science at Reed college, and Dr. Levi T. Pennington, president of Pacific college, will speak at the local rally. There will be no admission charge.

"The great problem in the 20th century," stated Dr. Pennington recently, "is whether civilization will destroy war, or whether war will destroy civilization."

A graduate of Earlham college, Dr. Pennington pursued graduate work at University of Oregon and Linfield college. Long active in peace work, he has given as many as 50 peace addresses in one season. He is a member of the central committee of the Pacific Northwest Institute of International Relations, member of the League of Nations association, and active in the National Council for Prevention of War.

The dramatic speaking campaign which is covering the nation this month, is but one of the phases of the intensive program of the Emergency Peace Campaign, states Mrs. Faneb, who has been in charge of local participation in the program. As outlined by the national directors of the campaign, of whom Monroe Sweetland of Salem is a member, every effort will be bent, for a two-year period, toward mobilizing American sentiment for peace into a unified, aggressive "peace front."

"Wage peace instead of waging war," is one of the slogans of the Emergency Peace Campaign.

Hayden. Rood, said to be an employe of the Marvel Baking company of Portland, requested until Friday to enter a plea and was released on his own recognizance.

The Marvel Baking company of Portland has filed suit to restrain the state police from arresting its drivers for violation of the state peddlers law. Papers in the case were served on Charles P. Pray, superintendent of state police Tuesday.

Officials said vehicles of the company had attempted to operate in Marion county without obtaining a peddler's license.
