# Your Vote AGAINST PROHIBITION

is a vote for Tolerance, for Decent Law Enforcement, for Old Age Pension Funds, Unemployment Relief and progress toward Practical TEMPERANCE by EDUCATION, MODERATION, and STATE LIQUOR CONTROL.

It is a ballot to take private profit out of hard liquor in Oregon, and USE these funds for constructive Public Use - WITHOUT COST TO THE TAX-

> Let's Keep Out Compulsion, Coercion, Discord, and Corruption

Everybody endowed with common sense knows that PROHIBITION was a miserable failure, and set neighbor against neighbor. It fostered intolerance and ill feeling. Every really informed, straight thinking American knows that Professional Prohibition Agitators are back again to their old tricks of gossiping and whispering how evil conditions are - EVERYWHERE EXCEPT RIGHT HERE.

> **Conditions Here Are Far Better Now** Than When Bootleggers Were In Control

Every public record reflects vastly improved conditions since State Liquor Control ran the bootlegger out of Oregon. The "Dry" Committees found it out, too. That's why they have NOT USED ANY FIGURES or made any SPECI-FIC CHARGES concerning these neighborhoods.

The election is being held in this district-not somewhere else. Vote therefore to support the State Liquor Control Commission and steadily improving LAW ENFORCEMENT here.
