# Amusement Shares Climb as Other Stocks do the Back Slide

## Losses Reach Over 2 Cents

Wage Boosts and Dividends Continue to Come In Industry

NEW YORK, Nov. 12-(P)-While most shares lost their balance in the stock market today a handful of merchandising, amusemen; and specialties strode ahead for fair gains.

As the market came down the home stretch, losses of fractions to 2 or more points predominated. Brokers said selling had been at tracted by the recent prolonged advance.

Measured by the "Associated Press average of 60 shares, the market was down 0.8 to 71.9. Transactions totaled 2,581,710 shares compared with 2.704,620 on Tuesday. Dividends Growing

Prominent in the day's news was the continued flow of more liberal dividends and announcements of wage boosts. Pennsylvania railroad slid back

% to 43%, notwithstanding a dividend of \$1. Improved box office receipts provided a background for de-

mand for amusement 'ssues. Ending with losses of fractions to around 2 points were U. S. Steel at 75%, Westinghouse Electric 144%, General Motors 74%, New York Central 44%, and Bethlehem Steel 711/4.

### Gardeners and Ranchers' Mart

PORTLAND. Nov. 12 .- (AP)-The frosty mornings are gradually taking their toll of local fruits and vegetables coming into the gardeners' and ranchers' market, with the result that supplies yesterday were quite light.

Cabbage was quoted higher and brought a top price of \$1.75 per crate. Cauliflower was light in supply selling at 60-75c per crate. Due to the small quantities of celery the California stock is making its appearance on the market at

\$2.00 per crate. Cranberry prices have a higher tendency, while lettuce remained firm at Tuesday's price level. Calffornia green beans and peas were meeting a good demand at 12c per pound: Indications point to another advance in potato prices before the week is up.
